

Wimba's Live Classroom – How to Log In

- Log into your course in Blackboard and click on the **Communications** link
- Click **Live Classrooms**
- Click on the **Enter** arrow next to the room you want to enter
- Wimba's Live Classroom will start in a pop-up window. If you have a pop-up blocker, make sure you turn it off for this site
- If you have never used Wimba's Live Classroom before, click on the **Run Wizard** icon and follow the directions below
- If you gone through the wizard on the computer on which you are currently working, click on the **click here** link towards the bottom of the screen

Run Wizard

- After you click on the **Run Wizard** icon, you will be following the directions on screen. Before you run the wizard, be sure you have:
 - Headphones
 - A microphone
 - Your volume turned up and/or unmuted
- Click the **Start** icon
 - If you have a **pop-up blocker**, you will be asked to turn it off. If not, it will continue checking your computer.
 - If you do not have **Java** on your computer, there will be directions on how to download it. After you do, be sure to continue through the entire wizard. If not, it will continue checking your computer.
 - It will check if you can **text chat** on your computer and if so, it will continue checking your computer.
 - Click the **Next** icon to allow the signed applet.
 - If you hear the message, click the **Next** icon. If not, there will be more instructions.
 - Click and hold down on the **Talk** icon and talk into your microphone. If you hear your voice, click on the **Next** icon. If not, click on the [Troubleshoot WimbaMedia Audio](#) link.
 - Click the **Finished!** icon.
