Dear Mrs. Hull

Received your letter dated 8th July
also and noted its contents. I thank you very
much for this. It is regret that we had a
pleasant journey though the time at our
disposal was very short. I hope we will meet
again some day and discuss many things.
I will be trying for admission in U.K.
for next year's session. Please do
send me the prospectus from some good
University - in Provisional Administration - if
admission can be arranged, there
I will be happy to come there for
year or so. I had told you that I
can spend about Ten thousand rupees.
Hope to hear from you soon.

Yours sincerely

Mr. Bhasin
