Hofstra Summer Camps Hosts Yankees Hitting Coach

Hofstra University, Hempstead, NY – Hofstra Summer Camps hosted New York Yankees Hitting Coach Kevin Long. The coach spoke with campers at the Patrick Anderson Baseball Camp, one of nine Sports Academy camps offered by Hofstra.

In addition to offering batting tips, Coach Long described a typical day for a major league player and advised the campers, "Work hard to achieve your goals. Your size doesn't matter; your success will depend on your hard work and heart."

According to Bobby, a camper from Seaford, "It was interesting to hear how major leaguers prepare for their games each day," he said. Camper Nick from West Babylon learned an important lesson: "Coach Long taught us to never give up on reaching our goals."
