Hofstra Continuing Education Offers Occupational Environment, Health and Safety Training

Two FREE workshops offered October 10

Hofstra University, Hempstead, NY - [Hofstra University Continuing Education](http://www.hofstra.edu/ce), in collaboration with American Safety Consultants, LLC, is proud to offer a comprehensive series of courses that help businesses meet the standards and requirements of the Occupational Safety and Health Administration (OSHA).

Safety training is an essential part of every employer's safety and health program for protecting workers from injuries and illnesses. Safety training classes help establish a culture in which employees themselves promote proper safety procedures. With Hofstra's OSHA courses, employees will be able to immediately practice and apply new knowledge and skills on the job, making the workplace safer for everyone.

On Saturday, October 10, Hofstra will offer two FREE OSHA workshops: OSHA Inspection Workshop for Supervisors from 8-10 a.m. and OSHA Recordkeeping Workshop for Supervisors from 11 a.m. to 1 p.m.

Among the other course offerings are: OSHA Hazcom (Hazard Communication), Hazwoper (Hazardous Waste Operations and Emergency Response Standards), Fall Protection, General Industry, Respiratory Protection, Fire Protection and Prevention, Accident Investigation EPA, DOT and DEC courses plus 10 and 30 hour Construction courses. Custom on-site training courses are also available.

To register for the free courses or for complete course descriptions, dates, times and cost of all courses, visit ce.hofstra.edu/OSHA or call (516) 463-7800.

[Hofstra University Continuing Education](http://www.hofstra.edu/ce) offers a broad range of workshops, seminars, conferences, lectures, events and courses in business, technology, personal enrichment, and community learning.
