Woman's Forum of Nassau County Scrapbook Collection, 1957-1995  
13 binders

The Woman's Forum of Nassau County was founded in 1944 by Elizabeth Bass Golding. At that time, she was President of the Nassau County Women's Bar Association, and later went on to become a Family Court Judge. Organized to discuss problems of common concern, the Forum hosted conferences, panel discussions, programs, meetings, etc., that dealt with topics such as alcoholism, aging, housing on Long Island, high school trade schools, town government, and the morality of Off Track Betting. The organization grew rapidly and eventually united more than 500 groups of different race, creeds, nationalities, and interests.

The 13 scrapbooks that make up this collection document the activities of the organization from 1957-1995. They were compiled by Bernice F. Weshler who was the publicity director and a past president of the Woman's Forum. The majority of the materials in these scrapbooks are news clippings and photos.
