

Financial Aid, Honors and Awards

Office: 202 Memorial Hall
Telephone: (516) 463-6680

Hofstra makes financial aid available to many students in the form of scholarships, grants, loans and jobs. Like other universities which subscribe to the policies of the Federal Student Aid Programs, we believe that eligibility for scholarship aid should depend on the student's achievement and promise, but that the amount of such aid should depend on the relative financial need of the student and his or her family.

Prospective new full-time freshmen and full-time undergraduate students in good standing are eligible for awards ranging in value up to full tuition. These one-year renewable awards are granted on the basis of academic quality, personal merit, need and, in some cases, proficiency in a specialized area.

Students have the responsibility to plan ahead, anticipate all costs, budget all resources, and request aid for the entire academic period. Anticipated costs include not only tuition and fees but a reasonable cost estimate for books and supplies, transportation, room and board where applicable, and personal expenses. Budgeted resources should include assistance from parents, student savings, summer earnings, term-time earnings, Federal and State aid, and scholarships from community civic organizations.

The Financial Aid Office will determine the amount and combinations of aid for which the student is eligible after applying all "outside" awards. The University reserves the right to modify the amount of the award at any time on the basis of outside awards.

Students who are pursuing second undergraduate degrees may be eligible for Federal financial aid, however may not be eligible for institutional funds.

APPLICATION AND REAPPLICATION PROCEDURES

FRESHMEN

Applicants for financial aid should refer to the instructions in the Admissions Application and/or Financial Aid Brochure that relate to financial aid. All aid applicants must complete The Free Application for Federal Student Aid (FAFSA). On the Free Federal Form, federal methodology will determine eligibility for the Federal Pell Grant, Federal SEOG, Federal Perkins Loan, Federal Work Study, and the Federal Family Education Loan

programs. Completed applications must be in the Office of Financial Aid by May 1 for the fall semester and December 15 for the spring semester. FAFSAs are available in the Office of Financial Aid or apply on line at www.FAFSA.ed.gov.

New York State residents should apply for New York State Tuition Assistance by completing the Free Application for Federal Student Aid (FAFSA). Students will receive a TAP Express Application to review and return to Albany, New York.

Requests for financial assistance will not influence a candidate's consideration for admission in any way. Financial aid decisions will be made after the student has been accepted, and the student will be informed by mail. Please note that March 1 is the priority deadline for freshmen awards.

TRANSFER STUDENTS

All transfer students must complete The Free Application for Federal Student Aid (FAFSA). Academic achievement and financial need will be considered. Completed applications must be in the Office of Financial Aid by May 1 for the fall semester and December 15 for the spring semester.

GRADUATE AND PROFESSIONAL STUDENTS

Graduate and professional students must complete The Free Application for Federal Student Aid (FAFSA) for eligibility for Stafford Loans. Applications for the FAFSA are available at the Office of Financial Aid or apply online at www.FAFSA.ed.gov. All scholarships, assistantships and grants, on a graduate level, are handled within a students' respective department. The graduate student should contact their particular department for information.

CONTINUING STUDENTS

Recipients of financial aid must reapply each year. To receive consideration for renewal of institutional financial aid, full-time students must successfully complete at least 24 semester hours in residence each academic year with a minimum of 18 hours in which a letter grade is assigned until senior standing (88 hours) has been attained.

The necessary grade-point average for renewal of a scholarship is listed in the description of that scholarship. The University reserves the right to change renewal criteria. Eligible entering freshmen may renew their scholarships for a maximum of six semesters; eligible sophomore transfers may renew for a maximum of four semesters; junior transfers for a maximum of two semesters.

- a. To be eligible for renewal of financial aid the Free Application for Federal Student Aid (FAFSA) must be completed by the parents and students. Upon request, a signed copy of the parents and/or student's Federal Income Tax return and a signed verification worksheet may be required.
- b. Renewal applications will be mailed by the U.S. Department of Education to continuing students who filed the FAFSA for the previous academic year before September 1. All other students can pick up a FAFSA in January at the Office of Financial Aid or apply online at www.FAFSA.ed.gov. The University reserves the right to deny FAFSAs not completed in accordance with federal deadlines.
- c. Students who are residents of New York State can also apply for the New York State Tuition Assistance Program (TAP) by completing the Free Application for Federal Student Aid. New York State Higher Education Service Corporation (NYSHESC) will mail a TAP Express Application for the student to review and return to Albany, New York.

A student must demonstrate financial need and academic preparation to be considered for this grant. Some examples of students who have received these grants in the past are: students who do not meet the criteria for one of the University's guaranteed scholarships, out-of-state students who cannot use their home state grant money in New York State, and students whose families have recently suffered financial setback.

The grants may be maintained and renewed by recipients who meet the renewal criteria listed at the end of this section.

These grants may be awarded or renewed upon the recommendation of the department provided that the student meets the renewal criteria listed at the end of this section.

These scholarships may be renewed by recipients who meet the appropriate renewal criteria. Students must take a minimum of six credits each semester.

RENEWAL CRITERIA

1. Academic Scholarships (including Distinguished Academic Scholar, Phi Beta Kappa, Presidential, Hofstra

Achievement) may be renewed if the recipient maintains full-time status and meets the following minimum academic averages: 3.0 cumulative grade point average after two Hofstra semesters, 3.1 after four Hofstra semesters, 3.2 after six Hofstra semesters. The grade point average for renewal is based on grades earned only at Hofstra University. Different criteria applies to Honors College Scholarships. See below.

2. Honors College Scholarship: a student must maintain full-time status and: 1) attain a cumulative grade point average of at least 3.0 after two Hofstra semesters, 3.2 after four Hofstra semesters, and a 3.3 after six Hofstra semesters; 2) complete *Culture and Expression* by the end of the student's second year at Hofstra; 3) continue to make reasonable progress towards completing one of the Honors College designations.
3. Assistance Grants and Hofstra Recognition Awards may be renewed if the student maintains a 2.0 cumulative grade point average. A FAFSA must be on file each year for renewal consideration.
4. Activity Grants may be renewed if the student maintains a 2.0 cumulative grade point average. Students whose Activity Grants are not renewed because their cumulative grade point average drops below 2.0 may appeal to the Scholarship Review Committee through their department chair. After the student speaks with the appropriate administrative representative, the Scholarship Review Committee will review the appeal. The Committee will consider the student's total academic record, and a letter stating reasons the student believes the appeal merits renewal of the grant. An interview may be required. Appeals should be directed to The Scholarship Review Committee, Office of the Provost, Hofstra University, Hempstead, NY 11549. (See University Probation Standards page 69.)
5. Recipients must successfully complete a minimum of 12 credit hours each semester at Hofstra with a minimum of 18 hours of letter grades other than P. Recipients of Hofstra institutional funds must be enrolled for full-time credit (12-17 credits) each semester for maintenance of Hofstra institutional funds. Part-time student scholarships and grants require enrollment of no less than 6 credits each semester.
6. Scholarships and grants are awarded to students with junior standing for a maximum of four semesters, with sophomore standing for a maximum of six semesters and to students with freshman standing for a maximum of eight semesters.
7. With the exception of Activity Grants (see #4 above), students whose scholarships and grants are not renewed because their cumulative grade point average falls below the minimum required, may appeal in writing to the Scholarship Review Committee. Reinstatement of aid would be based on documented exceptional circumstances. Appeals should be directed to: The Scholarship Review Committee, Office of the Provost, Hofstra University, Hempstead, NY 11549.

Grants and Loans

FEDERAL PROGRAMS

Eligibility for these programs is determined by completing the Free Application for Federal Student Aid (FAFSA).

Federal PELL Grants ranging from \$400 to \$4,050 a year are awarded to undergraduate students demonstrating need. The amount of the grant is based on income and assets (home is not used as an asset), and size of family.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS are intended for students with great financial need who are Pell Grant recipients and have been accepted for admission or who are already enrolled and are in good standing. They are awarded through the Office of Financial Aid from funds provided by the Federal Government and are subject to change based on availability.

FEDERAL PERKINS LOAN PROGRAM (formerly National Direct Student Loan): a student studying full time may borrow a maximum of \$4,000 per year or no more than \$20,000 for four years. No repayments are made while the student is still in school. Repayment begins six or nine (if borrower received first Federal Perkins Loan after July 1, 1987) months after graduation or termination of school attendance. During the repayment period, the student is charged five percent interest on the unpaid balance of the loan principal. Payments may be deferred or cancelled under circumstances described in the Promissory Note. Borrowers may take as long as 10 years to repay. Funds for these loans are provided to the University by the Federal Government. The number of loans available is limited by the amount of money allocated by the government and students' willingness to meet their repayment obligations.

FEDERAL WORK STUDY: various jobs are available for students who demonstrate financial need. Funds for these jobs are allocated to the University by the Federal Government.

Jobs are available during the regular academic year and for the summer. Entering students can apply for on-campus jobs for the summer **prior** to their initial year at Hofstra.

Federal Work Study positions can provide valuable experience relative to a chosen career or assistance in determining a career. For example: accounting majors can work for county comptroller or finance departments; premedical students, for hospitals; prelaw students, for consumer affairs or legally related nonprofit agencies; education students, for schools or day-care centers and communications majors can work in educational TV and municipal cultural affairs agencies.

If Federal Work Study is listed as a form of financial aid on your award notification, you may report to the Office of Student Employment, Human Resources Center.

FEDERAL PROGRESS STANDARDS

Students must maintain satisfactory academic progress for renewal of funds under the Federal Work Study, Federal Perkins Loan Program, Federal Supplemental Educational Opportunity Grant, Federal Pell Grant or Federal Stafford Loan.

Students not meeting these guidelines will not be renewed for additional assistance. The appeal process is handled by the Academic Records Committee.

The following charts are used by the University to determine eligibility.

FEDERAL FAMILY EDUCATION LOAN PROGRAM

FEDERAL STAFFORD LOAN: There are two kinds of Stafford Loans—subsidized and unsubsidized. If you have need as determined by Federal Needs Analysis, you may receive the subsidized loan where the government pays the interest while you are in college. If not, you can choose to pay the interest while you are in school or to defer the payment until you complete your studies.

Students will automatically receive a Stafford Loan application from the guarantor if they are eligible for this loan. Follow all instructions carefully when completing the application. Freshmen may borrow up to \$2,625 per class year; sophomores may borrow up to \$3,500 per class year; juniors and seniors may borrow up to \$5,500 per class year; undergraduate maximum is \$23,000. Graduate students may borrow a maximum of \$8,500 per class year, up to a total of \$65,000 including any loans for undergraduate study. Federal Stafford Loans carry a variable interest rate not exceeding 8.25 percent.

Although the loan may be repaid at any time, monthly payments must be made to the bank or other lender beginning six months after graduation or termination of study. Before applying for a loan, all students must complete the Free Application for Federal Student Aid (FAFSA). Once your processed FAFSA data is received, we will arrange to have a loan application sent with the school section completed in advance. You would then need to carefully complete the borrower section and forward the loan application per the instructions. **An entrance and exit interview is required of any student who borrows a Stafford Loan. The Office of Financial Aid provides this for all students. Contact the Office of Financial Aid for further information.** We have a preferred lender list available listing banks that can best serve our students.

FEDERAL PLUS (Parent Loans for Undergraduate Students) program makes funds available through participating banks and other lenders to parents of dependent students enrolled in, or admitted to, an approved college or university who do not have an adverse credit history.

Student eligibility criteria are comparable to those for the Federal Stafford Loans, except that Federal PLUS loans require no financial need test.

An insurance premium and an origination fee is due when the loan check is issued. The loan amount is disbursed in two payments and is made copayable to the parent and Hofstra University. If your lender participates with New York State Higher Education, our guarantor, funds will be transmitted electronically and applied directly to your son/daughter account. The maximum loan is the cost of attendance minus any financial aid for each financially dependent student. Federal PLUS loans carry a variable interest rate not exceeding 9 percent. Repayment must begin sixty days after the loan is disbursed.

Applications are available through Hofstra as well as participating lending institutions, however, parents may receive a preprinted loan application for new students or continuing students whose parents have borrowed in previous terms.

FEDERAL UNSUBSIDIZED STAFFORD LOANS are also available for graduate students and self-supporting undergraduate students, although under certain circumstances, a college financial aid administrator can approve a Federal Unsubsidized Stafford Loan for a dependent undergraduate.

An insurance premium and an origination fee is due when the loan check is issued. The loan amount is disbursed in two annual payments, copayable to the student and the institution. The maximum loan is \$4,000 per year for first and second year, and \$5,000 per year for remaining years of undergraduate study. Graduate students may borrow up to \$10,000 per year up to a total of \$23,000.

Federal Unsubsidized Stafford Loans carry a variable interest rate not exceeding 8.25 percent. While the borrower is enrolled at least half-time, principal payments on the loan may be deferred. However, interest payments must be made during enrollment or capitalized (added to principal). Repayment of both principal and interest begins when the borrower leaves school or enrolls for less than full-time study.

Application procedure is similar to the subsidized Stafford.

See Title IV Refund Policy page 29.

LOANS AWARDED BY HOFSTRA

EMERGENCY SHORT TERM LOANS: not to exceed \$100 for personal expenses, are available to full-time students in good academic standing who can justify the emergency nature of their request. Students should contact the Office of Student Accounts. Such a loan may not be used to pay

for tuition and fees or books. A student with an outstanding obligation to the University usually will not receive this loan. Each interest-free loan is repayable within one month.

This program is partially funded by gifts in memory of Harold Goldberg '76.
