HOFSTRA UNIVERSITY SCHOOL OF EDUCATION
DEPARTMENT OF CURRICULUM & TEACHING, DEPARTMENT OF MUSIC
PROGRAM REQUIREMENTS FOR MUSIC EDUCATION

Individuals who pursue the Music Education program, which leads to recommendation for certification, must meet the following entrance requirements. Enrollment in the program is open to individuals showing qualities, which indicate an interest in the field of music and potential as a teacher candidate. Candidates enrolling in the program will be screened by the following procedures:

1. Students must audition on their principal instrument for a member of the Department of Music and complete placement examinations in music theory and ear training.
2. Students initially enroll in the Department of Music, declaring their intentions to pursue a Music Education program and a Bachelor of Science in Education degree.
3. The candidate is then assigned a faculty advisor from the Department of Music for ongoing academic and professional counseling and guidance. Judgments concerning the candidate's academic performance and individual abilities are accumulated in reports and made available to the Department of Music and Department of Curriculum & Teaching indicating the student's abilities to successfully complete a planned program of studies and field experiences related to the professional functions of a music teacher.
4. All persons enrolled in teaching programs at Hofstra University must demonstrate competency in speech by securing evaluation form the Department of Speech Communication and Rhetorical Studies, usually by completing SPCM 1, Oral Communication. Any speech deficiency must be corrected prior to student teaching.
5. At the end of the sophomore year, students who wish to continue in the Music Education program must successfully complete the Department of Music piano proficiency requirements. The following grade point averages will be required:

Music = 2.5 Liberal Arts = 2.5 Secondary Education = 2.75 Overall = 2.75

Students will be assigned by the Music Education faculty to one of three categories:

- 1) **ACCEPTED** — meaning an applicant may continue in professional education.
- 2) **ACCEPTED PROVISIONALLY** — meaning that an applicant may continue to work in professional education although specified deficiencies must be eliminated.
- 3) **REJECTED** — meaning that an applicant is not entitled to any courses offered by the School of Education and is no longer considered a candidate in the teaching program

Students who have been accepted may be dropped from the program at a later date in cases where academic performance, judgments of field-experience supervisors and cooperating school personnel or if other factors make such steps advisable
