

RONALD L. BLOOM

SELECTED PUBLICATIONS AND PRESENTATIONS

BOOKS

Ferrand, C. and Bloom, R. (Eds.), (1997). Introduction to organic and neurogenic disorders of communication. Needham Heights, MA: Allyn and Bacon Publishers.

Bloom, R., Obler, L., DeSanti, S., and Ehrlich, J. (Eds.), (1994). Discourse analysis and applications: Studies in adult clinical populations. Hillsdale, NJ: Lawrence Erlbaum Associates.

SCHOLARLY PUBLICATIONS

Bloom, R. (in press) A case-based approach to teaching evidence-based practice and motor speech disorders. Contemporary Issues in Communication Sciences and Disorders.

Estes, C. and Bloom, R. (in press). Using technology to treat dysgraphia in a patient with conduction aphasia. Aphasiology.

Bloom, R., Marks, M. and Margolis, L. (in progress). Facilitating discourse in individuals with aphasia: Telling the story over time.

Borod, J., Bloom, R., Brickman, A., Nakhutina, L. and Curko, E. (2002). Emotional processing deficits in individuals with unilateral brain damage. Applied Neuropsychology, 9, 1, 23-26.

Raskin, S., Bloom, R., and Borod, J. (2000). Rehabilitation and treatment of emotion: Multidisciplinary approach. In J. Borod (Ed.), Neuropsychology of Emotion. Oxford University Press.

Borod, J., Rorie, K., Pick, L., Bloom, R., Andelman, F., et al. (2000). Verbal pragmatics following unilateral stroke: Emotional content and valence. Neuropsychology, 14, 1, 112-124.

Bloom, R. (1999). Cognitive rehabilitation. The Communicator, 28, 3, 4.

Bloom, R., Pick, L., Borod, J., et al. (1999). Psychometric aspects of verbal pragmatic ratings. Brain and Language: 68, 553-565.

Borod, J., Bloom, R., and Haywood, C. (1998). Verbal aspects of emotional communication in the right cerebral hemisphere. In M. Beeman and C. Chiarello (Eds.), Right Hemisphere Language Comprehension: Perspectives from Cognitive Neuroscience. Hillsdale, NJ: Lawrence Erlbaum Associates.

Bloom, R. (1998). Preparing students as diagnosticians in speech-language pathology: Theoretical background. The Communicator, 27, 6, 2-3.

Bloom, R., and Obler, L. (1998). Pragmatic breakdown in brain damaged patients. Journal of Neurolinguistics, 11, 1, 11-20.

Bloom, R. (1997). Communication disorders following cerebrovascular accident. In C. Ferrand and R. Bloom (Eds.), Introduction to organic and neurogenic disorders of communication. Needham Heights, MA: Allyn and Bacon Publishers.

Bloom, R. and Ferrand, C. (1997). Neuromotor speech disorders. In C. Ferrand and R. Bloom (Eds.), Introduction to organic and neurogenic disorders of communication. Needham Heights, MA: Allyn and Bacon Publishers.

Bloom, R. and Ferrand, C. (1997). Issues in clinical management of organic and neurogenic disorders of communication. In C. Ferrand and R. Bloom (Eds.), Introduction to organic and neurogenic disorders of communication. Needham Heights, MA: Allyn and Bacon Publishers.

Borod, J., Rorie, K., Haywood, C., Andelman, F., Obler, L., Welkowitz, J., Bloom, R., and Tweedy, J. (1996). Hemispheric specialization for discourse reports of emotional experiences: Relationships to demographic, neurological and perceptual variables. Neuropsychologia: 34, 351-359.

Bloom, R., Mullins, J. and Paternostro, P. (1996). Changes in processing adverbial conjuncts throughout adulthood. Applied Psycholinguistics: 17, 105-116.

Bloom, R. (1994). Hemispheric responsibility and discourse production: Contrasting patients with unilateral brain damage. In R. Bloom, L. Obler, S. DeSanti and J. Ehrlich (Eds.), Discourse analysis and applications: Studies in adult clinical populations (pp. 81-94). Hillsdale, NJ: Lawrence Erlbaum Associates.

Bloom, R. (1994). Preface. In R. Bloom, L. Obler, S. De Santi and J. Ehrlich (Eds.), Discourse analysis and applications; Studies in adult clinical populations. Hillsdale, NJ: Lawrence Erlbaum Associates.

Bloom, R., Borod, J., Obler, L. and Gerstman, L. (1993). Suppression and facilitation of pragmatic performance: Effects of emotional content on discourse following right and left brain damage. Journal of Speech and Hearing Research: 36, 1227-1235.

Bloom, R., Borod, J., Obler, L. and Gerstman, L. (1992). Impact of emotional content on discourse production in patients with unilateral brain damage. Brain and Language: 42, 153-164.

PRESENTATIONS

Estes, C. and Bloom, R. (2010). The use of voice recognition software to treat acquired dysgraphia. ASHA, Philadelphia, PA.

Bloom, R. and Fitzgerald, M. (2008). Development of a protocol to facilitate storytelling in individuals with aphasia. ASHA, Chicago, IL.

Scuderi, J., Bloom, R., Altenberg, E., and Beck, N. (2007). Phonological processing in adults with acquired dysgraphia. ASHA, Boston, MA.

Flaherty, K. and Bloom, R. (2007). Current practices and oral motor treatment. ASHA, Boston, MA.

Bloom, R. and Beck, N. (2007). Seminar: Applying principles of evidence-based practice in clinical settings. ASHA, Boston, MA.

Bloom, R. and Beck, N. (2006). Evidenced-based practice principles. Invited presentation to the NY Metropolitan Group of University Supervisors. Hofstra, University, Hempstead, NY.

Bloom, R. and Obler, L. (1998). Pragmatic breakdown in left and right brain damaged patients. International Association of Logopedics and Phoneatrics, Amsterdam, the Netherlands
