

Alumni Achievement

Kathryn V. Marinello '84

Kathryn V. Marinello is chairman and chief executive officer of Ceridian Corporation. Prior to joining Ceridian on October 9, 2006, Ms. Marinello was president and chief executive officer of multiple large GE businesses, including Fleet Services, Inc., Consumer Financial Services, Auto & Home Insurance, and the GE Financial Network.

Before joining GE, Ms. Marinello was president of the Electronic Payments Group at First Data Corporation, providing electronic banking and commerce, debit and commercial processing to the financial services industry. Before this role, she served as president of FBS Card Services, a wholly

owned subsidiary of First Bank Systems. She also worked at Chemical Bank, leading its marketing, information service and financial departments, and worked at Citibank and Barclays as controller.

Ms. Marinello serves on the boards of Ceridian Corporation, the new General Motors Company, and Minnesota Business Partnership, and is a member of the Business Roundtable.

She attended the University of Sweden and graduated from the University of New York at Albany with a bachelor's degree. She then earned an M.B.A. in marketing at Hofstra University.
