

Alumni Achievement

Diana E. Lake, B.A. '68; M.D.

Dr. Diana E. Lake is a medical oncologist at Memorial Sloan-Kettering Cancer Center (MSKCC), with a practice that is devoted solely to the care of patients with breast cancer. Dr. Lake's research interests involve all areas of breast cancer but focus mainly on the development of new therapies, prevention of cancer recurrence following surgery, and treatment of recurrent disease.

Working in conjunction with colleagues on the Breast Cancer Medicine Service at MSKCC and as the liaison in breast medicine to the Cancer and Leukemia Group B (a national clinical trial cooperative research group sponsored by the National Cancer Institute),

Dr. Lake is involved in clinical trials to develop better hormonal therapies and improved approaches to treatment before surgery.

She is a member of the National Institutes of Health (NIH) Scientific Review Committee, and has previously served on the NIH Cooperative Group Review and its Cancer Education committees, and has received the Memorial Sloan-Kettering Cancer Center fellowship.

Dr. Diana E. Lake holds a Bachelor of Science in biology from Hofstra University and a Doctor of Medicine from Chicago Medical School.
