This month's selection is

Mary Called Magdalene

By Margaret George

Weaving together hints from the New Testament, Gnostic gospels, and other ancient texts, *Mary Called Magdalene* portrays the life of the mysterious figure of Mary Magdalene, "Apostle to the Apostles," and companion to Jesus. Here Margaret George creates a new portrait of one of the most controversial figures in biblical scholarship: a strong, independent woman, given to visions and gifted with a unique faith in Jesus and his message.
