This month's selection is

Unaccustomed Earth
by
Jhumpa Lahiri

From the internationally best-selling, Pulitzer Prize–winning author, a superbly crafted new work of fiction: eight stories—longer and more emotionally complex than any she has yet written—that take us from Cambridge and Seattle to India and Thailand as they enter the lives of sisters and brothers, fathers and mothers, daughters and sons, friends and lovers.

Unaccustomed Earth is rich with Jhumpa Lahiri's signature gifts: exquisite prose, emotional wisdom, and subtle renderings of the most intricate workings of the heart and mind. It is a masterful, dazzling work of a writer at the peak of her powers.
