

Please join us for the Ninth Annual Sigma Pi Alumni Association Golf Outing. Proceeds benefit the Joseph Ades Endowed Memorial Scholarship and the Sigma Pi Alumni Association. Your participation enables us to continue our successful scholarship and alumni endeavors.

We remember our brother Joe "Goggles" Ades at this outing because of his unwavering loyalty to Sigma Pi, its brothers and its ideals. Despite tremendous obstacles posed by Joe's debilitating disease, he was an active member of the fraternity and a brother we could always count on.

As in previous years, we invite you to bring friends, family, co-workers and clients to this year's outing.

We have arranged an afternoon shotgun start for your convenience and will be serving complimentary food and beverages all day long.

If you have any questions, please don't hesitate to call us. We look forward to seeing you on the links!
