

SENIOR CLASS CHALLENGE

2 • 0 • 0 • 8

Dear Class of 2008:

Although graduation is quickly approaching, our journey with Hofstra is only just beginning. Upon accepting our diplomas, we will join a community of more than 110,000 Hofstra University alumni. Just as we have accomplished so much in our short time here, so too has Hofstra. In just 73 years, Hofstra has grown from a college with only four programs and a few hundred students, to a prospering University with nearly 13,000 students studying in more than 290 undergraduate and graduate programs.

So much of our success is based on the generous support of alumni. The tradition of the Senior Class Challenge is to commemorate our own transition into this elite group. It's our turn to make our mark and contribute to the future success of Hofstra University. Each senior has been challenged to make a gift before Commencement Day, in honor of our graduation. We urge you to accept this challenge and set the bar high for future graduating classes.

Sincerely,

Janeita Bellamy
