

APPLICATION TO PARTICIPATE IN UNIVERSITY SENATE

With submission of this application, I certify that I am interested in being part of the shared governance process at Hofstra University. I understand that if I meet the GPA eligibility requirements to serve, I will be eligible to run in the general election to serve as an elected student senator on the University Senate for a term of one year during the 2017-2018 academic year. I understand I am running for the position of an elected student senator but may be considered for the position of senator-at-large. After the general election one student will be elected as University Senator and will serve as Chairperson of the Student Affairs Committee for a one-year term. If elected I understand I must be able to attend full University Senate meetings held on the second Monday of each month. I understand that by submitting this intention to run I possess the desire to work with and through the various University Senate committees to improve Hofstra University's overall campus experience.

Elections will be held online through the Hofstra Portal from 9am April 25 to 9am April 27.
