

Literature Criticism Now Available Online

Dear Subscriber,

Contemporary Literary Criticism, Twentieth-Century Literary Criticism, Short Story Criticism, and other series from the publisher Gale have served as a central reference resource for students doing research in literature. These series and seven others from Gale are now available online both on and off campus whether the library is open or closed. The online compilation of these ten series, called Literature Criticism Online, is available from the research databases link on the library's home page. In addition to the usual Basic and Advanced Search features, LCO supports Author and Title browsing. Search results lead to pdf replicas of the hardcopy that can be printed or saved.

Sincerely,

Howard E. Graves, Senior Assistant Dean
