

July 8/95.

Dear Mr. Adams:

I'm glad we got that  
smuggling scene located  
right.

I've read this proof,  
— so I shan't need to see  
a revise.

I'm judging that Book  
II should start with a  
new chaptering, so I  
worked it — interroga-  
tively.

I'm not out of bed yet.

Yrs Sincerely  
J. C. Clemens
