TO BRING OR NOT TO BRING?

Each student's room is furnished with a desk, desk chair, bed, dresser and wardrobe. You will need to bring your own bed linens, towels, pillows and blankets for a twin extra-long bed. You may also be interested in purchasing bed linens through Residence Hall Linens, (see accompanying letter about this service). If you have been assigned roommates, we advise that you arrange to share responsibility for added comforts such as a stereo, radio, refrigerator, rug or TV. We also suggest that you bring a study lamp,

comfortable chair, or any knickknack that will make your room look and feel more like home. All furnishings for students' rooms are required to be fire retardant. We encourage students to go green by bringing energy-efficient light bulbs and appliances to campus. There are many shopping centers near campus where you may purchase items to personalize your living space.
