

First Year Checklist

To Do

- Schedule an appointment with a career counselor at The Career Center to familiarize yourself with the resources available
- Identify your interests, skills, values, and personality preferences through a career assessment workshop, program, or counseling appointment
- Explore a major that is compatible with your interests and abilities through academic coursework and/or department events
- Draft your first resume with help from a resume writing workshop or webshop
- Join campus organizations to develop teamwork and leadership skills, and become an active member of the campus community
- Obtain a part-time, volunteer, or summer position to develop work related skills
- Log onto the Pride Career Management System, our online job and internship database
- Get Connected to The Career Center via Facebook, Twitter, and LinkedIn
