How All Declining Balance Dining Plans Work

Plans will be activated once payment has been remitted and any outstanding student account balance is resolved.

All declining balance plans come with a predetermined number of points. One point is equivalent to one dollar. Points are deducted from the proper account each time a purchase is made. You will be automatically billed in the spring semester for the same plan that was selected in the fall semester. You must contact HofstraCard Services if you wish to change or cancel your spring dining plan in accordance with the dates outlined below. Unused fall semester points are carried over to the spring semester only if you purchase a plan of equal or higher value for the spring semester. It is a condition of residency that all first-year undergraduate students living on campus select dining plan 5, 6 or 7 for the fall and spring semesters.

The commuting student dining plan is available only to non-resident students. If you purchase the commuting student plan and then become a Hofstra resident student, your dining plan will be upgraded automatically to a resident dining plan, and you will be responsible for the corresponding price increase. Points are nonrefundable. Insufficient funds or lack of activity in using the dining plan shall not exempt you from the financial obligations of this contract. You will not receive a refund if you miss a meal or do not use your dining plan.

Fall semester points may be used from Thursday, August 30, 2012, through Wednesday, January 23, 2013. If you do not purchase an equal or higher value plan for the spring semester, you shall forfeit any unused points as of January 24, 2013. Spring semester points may be used from Thursday, January 24, 2013, through Sunday, May 19, 2013 (spring commencement).

All unused points are forfeited as of May 20, 2013. The deadlines for dining plan changes and cancellations are September 24, 2012, for the fall 2012 semester, and February 19, 2013, for the spring 2013 semester. No changes or cancellations will be accepted after these dates, regardless of dining plan usage. Designated dining locations may be closed during holidays or when classes are not in session. All purchases made using dining plans are exempt from sales tax. To the extent multiple dining plan selections or contracts are submitted by you or your parent/guardian, the highest priced plan will apply.

If you have any questions, concerns or special needs, such as medical and/or dietary requirements, please call Dining Services at 516-463-7050.

I have read and acknowledge the above policies regarding dining plans and agree to be legally bound by these terms and conditions. I understand that I am responsible for the full cost of the dining plan selected above, regardless of my usage. I understand that the dining plan I select for the fall semester will be automatically renewed for the spring semester. I understand that if I do not change or cancel my dining plan by the established deadline, I will be held financially responsible for the full cost of the plan I selected in the fall semester, for the entire academic year. I also understand that I am responsible for all costs and legal fees associated with the collection of all unpaid charges on my student account, including, but not limited to, a dining plan.
