2013 Summer Study Abroad Programs

To: All Students

From: John R. Lewis, Associate Dean
External Relations, Field Placement, and Recruitment

Re: **Financial Aid for SOE 2013 Summer Study Abroad Programs**

The only financial aid available to students interested in participating in one of our School of Education, Health and Human Services Study Abroad Programs is a loan. If you are interested in taking out a loan for this purpose, please do the following:

- Complete the attached form. In addition you will need to fill out the amount of money needed for books and your own travel and personal expenses.
- Once you have completed the attached form return it to Barbara Calvo in Hagedorn Room 116 for signatures.
- An additional “Summer Loan Request Form” must also be completed along with the attached form. This form will become available to students in early- to mid-April 2013, and will be downloadable from the Hofstra website.
- Bring both financial aid forms to Memorial Hall, Room 206, for priority deadline by April 16, 2013, to ensure your loan is approved well in advance of your desired program.

If you have any questions, please don't hesitate to contact Ramona Hudson at (516) 463-6591, or stop in to see Ms. Barbara Calvo in the School of Education, Health and Human Services Room 113.
