REACH Roster - Request for Early Assistance and Coordinating Help

REACH - Request for Early Assistance and Coordinating Help

 **You may use the "Add REACH" below to contact a student's Center for University Advisement assigned dean about any concern you have regarding the student's academic performance in your course.** Once you click on the "Add REACH" Advisement icon next to the student's name, you will be prompted to provide specific information about the student's academic performance. REACH Advisement will store this information and the student's assigned advisement dean will follow-up with the student. The advisement dean will also provide you with updates as to the resolution of your REACH concerns.
You may also view previously entered REACH for each student.

The information you provide Advisement using **REACH** regarding a student's attendance in your course this term may be shared with other campus offices for compliance with Federal law governing financial aid.
Please realize that you are still responsible for submitting LDA (Last Day of Attendance) rosters to the Office of Academic Records.
REACH DOES NOT REPLACE, but is an addition to the existing LDA (Last Day of Attendance) roster process.

The REACH form will ask you to provide information regarding the concern, such as type and level of concern. You will also be asked to provide recommendations. There is a section below for comments. You can determine whether or not you want the comments shared with the student. Advisement Deans will be letting the student know that a referral has been made and discuss the appropriate issues but will not share the comments if you click on **DO NOT SHARE**.
