## NEW COLLEGE

---

A small, interdisciplinary liberal arts college where students study for the Bachelor of Arts degree in humanities, natural sciences, social sciences, creative studies or inter-disciplinary studies. Students have opportunities for individual study on campus and internship projects off campus as well as classroom course work and study abroad. The College offers a Program in Interdisciplinary Studies. Students have access to all University resources.

---

## SCHOOL OF LAW

---

A three-year program of study for full-time students of law leading to the degree of Juris Doctor.

---

## SCHOOL FOR UNIVERSITY STUDIES

---

The Freshman Division provides a unique first year collegiate curriculum for high school graduates requesting or requiring a structured approach to a university under-graduate education.

The Transfer Division enrolls a limited number of students with college experience not at Hofstra University whose academic potential is best realized through a structured initial year.

The PALS Division provides skills workshops and other forms of assistance to students with professionally diagnosed learning disabilities.

The Degree Division enables part-time students, as well as traditional students, to fulfill the requirements of a Bachelor of Arts degree in a more flexible manner than is available at most universities.

---

## HONORS COLLEGE

---

A thirty-credit undergraduate program leading to honors designations at graduation. The Honors curriculum offers a twelve-credit first year program, honors seminars, and the opportunity to do honors-level work in any undergraduate major or concentration.

---

## UNIVERSITY COLLEGE FOR CONTINUING EDUCATION

---

In service to the community, University College offers programs and courses on a noncredit basis.

---

## SATURDAY COLLEGE AT HOFSTRA

---

Serves mature, nontraditional students, allowing them to earn an undergraduate degree in four years without interrupting their career and family responsibilities.
