**Sports Journalism  
and Broadcasting Institute**  
Continuing Education

**Parent: Frank Valluzzi**

My son Jared Valluzzi has been attending the Hofstra Sports Journalism institute for the past two years. The Hofstra staff is very knowledgeable and provides a great and fun environment for kids at every level.

The progress in my son's communication skills has been amazing.

If your child is looking for enrichment in the sports journalism field, there is no better place than the Hofstra Sports Journalism Institute.
