

# Alumni Organization

Dear Fellow Alumni:

I am pleased to announce that the members of the Alumni Organization Board of Directors have been elected to a second term. I would like to take this opportunity to congratulate each board member and thank them for their hard work and dedication to the Alumni Organization and to Hofstra University.

At our annual meeting, the Alumni Organization recognized James and Eleanor Drayton, both class of '65, for their outstanding commitment to Hofstra, by presenting them with the Marjorie and James M. Shuart Alumni Family Award. Other alumni who were recognized included HART Volunteers of the Year Bob Schertzer '73 and Ilene Joy Goldberg-Schuss '80, and CAN! Volunteer of the Year Peter Blumenthal '81. In addition, Second Vice President Heather Rocco '96 was awarded the Alumni Organization Executive Council Member of the Year.

Numerous alumni events were held last semester. New groups were chartered by the Alumni Organization, adding to our membership. Likewise, participation in the HART and CAN! programs continued to increase, as well as attendance at our campus events and support of alumni scholarships. In addition, alumni receptions in California, Washington, D.C., Connecticut, New Jersey and right here on Long Island, were a true testament of alumni enthusiasm nationwide. Other recent events and programs have included the Alumni Leadership Institute, Alumni Awards Dinner, Homecoming and Family Weekend, scholarship fundraising, athletic and academic receptions, and charter group gatherings.

Thank you for your continued support of the Alumni Organization. I look forward to working with you, and on your behalf, for another prosperous year.

Thomas Santucci, Esq. '93  
President  
Hofstra University Alumni Organization
