

# Alumni Organization

Dear Fellow Alumni:

As May 2003 Commencement approaches, it marks the beginning of an exciting time for graduates who will join the ranks of more than 100,000 Hofstra alumni. We welcome the Class of 2003 to the Alumni Organization, and encourage them to take advantage of the many benefits of being a member.

During the first year of my presidency I was privileged to have worked with the members of the Alumni Organization Executive Council, chartered groups, committees and the Alumni Relations staff. I also had the pleasure of meeting many enthusiastic and generous Hofstra alumni. Through the efforts of these dedicated individuals we have successfully advanced our objectives of increased support of the Annual Fund and scholarships, participation in campus events and alumni programs, and the addition of products and services for alumni.

Spring events offer great opportunities for alumni to meet, reminisce and enjoy social gatherings. These include Reunion Weekend 2003 on May 17-18, and the Hofstra University Gala Ball on May 29.

Reunion Weekend will include cultural programs, campus tours and Commencement. In addition, special activities are planned specifically for the Classes of 1943, 1948, 1953, 1958, 1963, 1968, 1973 and 1978, as they celebrate milestone reunions.

I look forward to another successful year at Hofstra, and want to remind you that visiting [www.hofstra.edu](http://www.hofstra.edu) is a great way to stay connected with Hofstra. We hope you will keep us in mind when events in your life change by filling out our on-line Keep In Touch form so that we can share your good fortune with fellow alumni. And we certainly hope that you will take advantage of the opportunity to be included in the 2004 edition of the Hofstra University Alumni Directory.
