

Hempstead for Hofstra/Hofstra for Hempstead

Thirty-five years ago, a dedicated and caring group of volunteers met for the first time to raise scholarship funds to make it possible for deserving students from the Village of Hempstead to attend Hofstra University. Since its founding, more than 300 young men and women have benefited from these scholarships. In 1973, the first year, four scholarships were awarded. During the 2006/2007 academic year, 12 students received scholarship support.

However, the Hempstead for Hofstra/Hofstra for Hempstead Committee does more than award scholarships; it strengthens the bond between the Village of Hempstead and Hofstra University with the annual presentation of the prestigious Unispan Award to individuals whose professional or personal lives have enriched the Hempstead community. Organizations may also be chosen for service to their community.

Although only a few of the original members still serve on the Hempstead for Hofstra/Hofstra for Hempstead Committee, the spirit of the founding members lives on as the current members volunteer their time and efforts to raise scholarship funds and continue their mission to build a strong bond between the Village of Hempstead and Hofstra University.
