APPLICATION PACKET
BETA ALPHA PSI
Delta Pi Chapter
Hofstra University

Beta Alpha Psi is the National Honors Fraternity for Financial Information Professionals for those who have achieved a high standard of excellence in accounting, finance, and BCIS. There are approximately 250 Beta Alpha Psi chapters throughout the United States. As a member of Beta Alpha Psi, you are given the opportunity to form close relationships with fellow accounting, finance, and BCIS students and faculty. In addition, you will learn more about the firms you may want to work for, as well as the accounting, finance, and technology professions as a whole.

The purpose of Beta Alpha Psi includes the recognition of outstanding academic achievement in accounting, finance, and BCIS and the promotion of the study and practice of accounting, finance, and BCIS. It encourages a sense of ethical, social, and public responsibility of the profession. Beta Alpha Psi also provides an exceptional opportunity for members to informally meet representatives and recruiters from the various accounting firms and business organizations that employ accounting, finance, and BCIS majors.

Membership is open to all persons regardless of race, creed, color, sex, religion, disability, or national origin. There are four categories of membership: student, faculty, alumnus, and honorary. Members have good moral character and have achieved academic or professional excellence in the fields of accounting, finance, and BCIS. Graduate students who were members as students can retain membership as long as they continue their accounting program. Student members who relocate to another institution to obtain a graduate degree or complete an undergraduate program can become members of the local chapter if they apply for membership and meet all membership requirements for that local chapter.

To become a member of the Delta Pi Chapter of Beta Alpha Psi, there are certain criteria that must be met. You must have completed a minimum of nine credits of accounting having maintained an accounting grade point average of 3.2, as well as an upper level accounting average of 3.0 (upper level accounting refers to all accounting classes except Accounting 1 & 2). Also, to become a member, you must have a cumulative grade point average of 3.2.

As an inductee or member of the fraternity, you will actively participate in our professional and social events. In addition, you will attend most of our weekly meetings and join two committees. Finally, you are required to contribute an article to our alumni newsletter. KPMG awards a $500 scholarship to the most active inductee or member. Other scholarships are available to those who qualify!

If you are interested in becoming a member of the Delta Pi Chapter of Beta Alpha Psi, you should complete an application, submit a copy of your Hofstra transcript (unofficial), and pay a membership fee of $55.00.
