

at Hofstra,  
*my dream is  
coming true*

**Rosalia Boro-Hov '12**  
B.S./M.S., Physician Assistant Studies

Just five short years after moving to the United States, Rosalia's dreams of helping people who are sick and following in the medical footsteps of other family members are more tangible than ever before. She begins her American dream at Hofstra University after being accepted into the Pre-Physician Assistant program and named a Phi Beta Kappa scholar.

Each year, hundreds of students transfer to Hofstra, and now, transferring to Hofstra is simpler than ever. We've improved and streamlined our transfer process, requirements and orientation, specifically to help transfer students succeed. With more than 140 academic programs, state-of-the-art resources and facilities, and a network of peers and mentors, you'll discover your strengths and nurture your talents.

# at Hofstra, I found my voice

Luz Peña '11

B.A., Broadcast Journalism/Political Science

Luz found a way to combine her love of politics and broadcast journalism when she transferred to Hofstra, lobbying state legislators and training to host her own talk show on the student-run radio station. Now, she's doing an internship with Univision, the Spanish language media company.
