

HOFSTRA  
UNIVERSITY®

## master of fine arts in documentary studies and production

*Preparing students for careers in current and emerging  
fields of non-fiction media.*

Whether your undergraduate degree is in film, psychology, political science or women's studies...if you need to tell a story and you have the passion to communicate it to others, the M.F.A. in Documentary Studies and Production may just be the graduate program you've been waiting for.
