QB CHALLENGE
Thursday, September 14, 2006 at 4:00 p.m. - Rec Field

This event will test the contestant’s accuracy, arm strength, and ability to hit a moving target. Points are accumulated during each stage of the event. The participant with the highest combined score after three stages will be declared the champion.

Open to all current student, faculty and staff members of the Hofstra community (please bring your HofstraCard to event).

Awards will be given to first and second place champions!

(Additional rules governing this event will be available prior to competition.)

Entries will be accepted up until the start of the event.
