Tournament Rules:
• Official tennis rules will be in effect throughout the tournament.
• Matches will be self-officiated using the honor system.
• The tournament structure will be determined on the day of play and will be based upon the number of participants.
• Matches will start on time. A five-minute grace period is given before a forfeit is declared. Also, a five-minute warm-up is permitted.
• Please execute court courtesy and sportsmanship at all times.
• Wait until the players from another court have completed a point before retrieving a ball.
• It is your obligation to call all balls on your side, to help your opponent make calls when the opponent requests it and to call against yourself (with the exception of the first service) any ball that you clearly see out on your opponent’s side of the net.
• If you have any doubt as to whether a ball is out or good, you must give your opponent the benefit of doubt and play the ball as good. You should not play a "let".
• Any "out" or "let" calls must be made instantaneously (i.e. before either an opponent has hit the return or the return has gone out of play), otherwise, the ball continues in play.
• Spectators cannot assist in making calls.
• If you call a ball out and then realize it was good, correct your call.
• Foot faults are not allowed. Two foot faults equals a loss of point or serve.
• Finally, to avoid controversy over the score, the server should announce the set score (i.e. 5 - 4) before starting a game and the game score (i.e. 30-love) before serving each point. If players cannot agree on the score, go back to the last score that there is agreement or spin a racquet.
