## **VISION for the Hofstra Division of Student Affairs**

The Division of Student Affairs will be nimble, proactive, and model best and next practices. We will be responsive catalysts who embrace positive change, integrity, inclusion, and advocacy.

We will collaborate with our students, colleagues, and families to nurture fun, pride, and a lasting relationship with Hofstra. Students will be welcomed into a tradition-filled campus where they feel at home and commit to being part of The Pride.

As they grow in confidence and self-sufficiency, Hofstra students will embody joy, wisdom, and kindness. They will graduate with a dedication to life-long learning, a commitment to positively impacting the lives of others, and a passion for realizing their full potential and purpose.
