

Club Sport Coaching Duties

- a. All competitive club sports must have a coach
- b. Coaches must possess a basic knowledge of the coached sport.
- c. The coach must have a valid CPR/AED certification card.
- d. Coaches must abide by all applicable policies and regulations outlined in the Guide to Pride.
- e. The coach's role is to provide technical assistance and teaching, on-field game management and administrative guidance. The students coordinate and run the team administratively. Students, not coaches, will act as the liaison between the club and the Department of Campus Recreation.
- f. Coaches should designate playing time fairly based on skill level while trying to get all club members competitive playing time. It is expected that dedicated club members that attend all club events (practices, fundraisers, games, etc.) will get some competitive playing time.
- g. A coach is required to be at all team practices, as well as all home and away games. No organized club activity can happen without the presence of a coach.
- h. Coaches must maintain good sportsmanship from their team at all times.
- i. Coaches must submit a timesheet reporting time worked every two weeks.
- j. Volunteer club sports coaches are prohibited from driving a student in their vehicle at any time. This includes to/from practice, games, or any team event.
- k. The Department of Campus Recreation has the right to remove any club sport coach if, in the opinion of the staff, the coach is not performing their responsibilities in the best interest of the club.
