The College offers a Program in Interdisciplinary Studies. Students have access to all University resources.

SCHOOL OF LAW

A three-year program of study for full-time students of law leading to the degree of Juris Doctor.

SCHOOL FOR UNIVERSITY STUDIES

The Freshman Division provides a unique first year collegiate curriculum for high school graduates requesting or requiring a structured approach to a university under-graduate education.

The Transfer Division enrolls a limited number of students with college experience not at Hofstra University whose academic potential is best realized through a structured initial year.

The PALS Division provides skills workshops and other forms of assistance to students with professionally diagnosed learning disabilities.

The Degree Division enables part-time students, as well as traditional students, to fulfill the requirements of a Bachelor of Arts degree in a more flexible manner than is available at most universities.

HONORS COLLEGE

A thirty-credit undergraduate program leading to honors designations at graduation. The Honors curriculum offers a twelve-credit first year program, honors seminars, and the opportunity to do honors-level work in any undergraduate major or concentration.

UNIVERSITY COLLEGE FOR CONTINUING EDUCATION

In service to the community, University College offers programs and courses on a noncredit basis.

SATURDAY COLLEGE AT HOFSTRA

Serves mature, nontraditional students, allowing them to earn an undergraduate degree in four years without interrupting their career and family responsibilities.
