- I. Quick overview of how we recognize a club through committee
 - A. It will be a similar process to how we recognize clubs in the Senate. The club leaders will tell us a little bit about their clubs and why they want to be recognized. Then we will discuss and choose whether or not to recognize them.
- II. New York State Band Directors Association recognition
 - A. We met with president <u>Victoria Cusumano</u> and Vice President Georgia Shehas. They told us about NYSBDA which a club founded for the purpose of training future band directors. They told us about some events they've had and are planning to have, such as a seminar about marching band instruction, for which they will require SGA funding to have speakers come in.

- B. Senator Atlas moves to open executive session.
- C. Motion seconded.
- D. That motion passes.
- E. Chair Campbell moves to close the executive session.
- F. Motion seconded.
- G. That motion passes.
- H. In their constitution, NYSBDA mentions dues that members are required to pay. There were chapter specific dues (used for bringing in speakers and other events) and optional dues to pay to the national association if members wanted to belong to that organization. We asked them about this and Victoria told us that if recognized and properly funded, they would no longer need to have these dues.
- I. We also had a couple of minor edits to their constitution. We decided to have them come back at a later date to fully update their constitution with all of our comments and concerns.
- J. Senator Atlas moves to recognize NYSBDA.
- K. Motion seconded.
- L. That motion passes.
- III. Association of Latinx Professionals for America recognition
 - A. We met with president Evelyn Meija, who told us more about their club. ALPFA is a network of professional students in the Latinx community. They had been working on getting recognized last semester but never fully completed the process.
 - B. Senator Behm moves to open executive session.
 - C. Motion seconded.
 - D. That motion passes.
 - E. Chair Germaine moves to close the executive session.
 - F. Motion seconded.
 - G. That motion passes.
 - H. All we had for ALPFA was some minor edits to their constitution, which we will meet with them at a later date to work on.
 - I. Senator Behm moves to recognize ALPFA.
 - I. Motion seconded.
 - K. That motion passes.

- IV. Open discussion/ Icebreaker have you ever been on CR before? What did you like about it? What didn't you like? What do we need to go over?
 - A. Chair Doherty: I would like to go over what exactly we are looking for in a constitution because I am often confused about what we are trying to fix when asked to make comments.
 - B. Senator Atlas: I would like to work on the senatorial action workshop and possibly have a meeting for club eboards on how to get recognized. I also want to improve the way we promote club events, like possibly having a club calendar on the Hofstra portal.
 - C. Senator Behm: I would like to work on a way for clubs to let us know they are coming more in advance, like possibly a Calendly account so we have a couple of days to look over their constitutions and prepare our questions. This will allow the meetings to be quicker for everyone involved.
