INFORMATION SESSION

The Freshman Experience and Choosing a Major
106 Breslin (#23)

When you are accepted to Hofstra University, a world of opportunity awaits you. You might be entering the University knowing exactly what your major will be. On the other hand, you may want to spend the first year or so deciding what is the best match for your skills and interests. Hofstra has five different schools and 117 different undergraduate majors to choose from. This workshop will give you an overview of those options and how to explore them.
