The Freshman Experience and Choosing a Major
217 Breslin (#23)

When you are accepted to Hofstra University, a world of opportunity awaits you. You might be entering the University knowing exactly what your major will be. On the other hand, you may want to spend the first year or so deciding what is the best match for your skills and interests. Hofstra has seven different schools and 117 undergraduate majors to choose from. This workshop will give you an overview of those options and how to explore them.
10:45 a.m.-Noon
Honors College Open House
037 Axinn Library (#3)
Students who have been invited to enroll in Hofstra’s Honors College may join faculty and administrators for informal conversation and learn more about our offerings. Fifteen-minute presentations will be ongoing throughout the morning.

11:40 a.m.-12:20 p.m.
