A BRIEF HISTORY OF HOFSTRA

The history of Hofstra University is one of remarkable growth and achievement. Led by men and women of wisdom, vision and courage, Hofstra has grown from a small community college to a nationally and internationally recognized University. Hofstra has more than fulfilled the destiny made possible by its benefactors, William and Kate Hofstra.

The story begins with William Sake Hofstra, a millionaire with lumber businesses in Hempstead, New Orleans and Canada. Born on May 31, 1861, in Holland, Michigan, he traced his roots to Friesland, the Netherlands. He married Kate Mason, a wealthy widow from Leadville, Colorado. Later they moved to rural Hempstead, where in the early 1900s he built the family mansion, “The Netherlands,” known today as Hofstra Hall.

William S. Hofstra died in May 1932 at age 72, leaving the estate to his wife. Sixteen months later Kate Mason Hofstra died, making provisions in her will for the use of the estate for the “public good, education or scientific purposes.” The resulting institution was to be a memorial to her late husband.

On September 23, 1935, Nassau College-Hofstra Memorial of New York University at Hempstead, Long Island, admitted its first class of 159 day students and 621 evening students. New York University furnished the faculty and established the curriculum.

By the second year, daytime enrollment doubled. In 1937 the college’s name was changed to Hofstra College, as an independent four-year institution under a provisional charter from the New York State Board of Regents. Dr. Truesdel Peck “Jack” Calkins, former superintendent of schools for the Village of Hempstead and the director of the Bureau of Appointments for New York University, became the first President of the College, serving from 1937 to 1942.

In February 1937 Hofstra athletic teams received their nickname, “The Flying Dutchmen.” During that time “The Netherlands”, the Hofstra alma mater, was written by a faculty member. Using as its basis the 1,000-year-old coat of arms of the Orange-Nassau family, the reigning house of the Netherlands, a Hofstra seal was designed. In 1988, in the spirit of gender equality, the seal was modified to include a lion and a lioness.

ALMA MATER

“The Netherlands”
Words by Hans J. Gottlieb
Sung to “The Prayer of Thanksgiving”

O Hofstra, to honor thy name we foregather,
Rejoicing in voicing thy praises anew;
By thee we are guided, with counsel provided;
Sustain us with thy strength in the paths we pursue.

You settlers of Nassau who cleared its broad acres,
You sailors and whalers, adventurers bold,
Your precepts uphold us, your visions enfold us,
Your spirit be emblazoned in blue and in gold!

As sons and as daughters to Hofstra united,
We never will sever the ties that us bind;
The years that pass by us shall never deny us
The memories we cherish in heart and in mind.

UNIVERSITY SEAL AND COLORS

The Seal of the University is derived from the 1,000-year-old coat of arms of Orange-Nassau, the reigning house of the Netherlands. It depicts a pair of rampant lions (one lion and one lioness) in gold, tongue in red, on an azure field with gold blocks. The lion on the seal’s shield is crowned with a royal crown and holds in the left claw a bundle of seven arrows with gold heads signifying the seven provinces of the Netherlands. The arrows are held together by a golden ribbon. The motto that appears on the University seal, “Je Maintiendray,” means “I stand steadfast.” Both the seal and the motto are appropriately significant of the Dutch heritage of Hofstra University and of Long Island, as are the University colors, blue, gold and white.
Hofstra University is chartered by the New York State Department of Education. As is the case with other institutions of higher education in New York state, there is a Board of Trustees that oversees the management of the affairs of the University and determines its policies upon the recommendation of the President. This includes all appointments and terminations of personnel, approval of budgets and expenditures, management of the endowment and plant assets, and overseeing the education policies of the University. Indeed, they are the University as recognized by the state in determining all matters of policy.

Members of the Board of Trustees are men and women from the community-at-large. The full Board meets six times a year, and the Trustees often meet more frequently as members of the various committees of the Board. Membership is by invitation of the sitting members of the Board. Terms of appointment are for four years and are renewable. Trustees do not receive compensation in any form for their activities. They are obliged to submit annual statements that there is no conflict of interest between their activities outside vs. inside the University. The President of the University sits as an ex-officio member of the Board and is its administrative officer. At regular meetings of the Board, non-voting delegates are present representing the faculty, students and alumni. These delegates report information on matters of importance in their respective areas to the Board members.

ACADEMICS

To find out all you need to know about your major and requirements, one book is all you need: *The Hofstra University General Bulletin*. Make sure you have a copy of the *Bulletin* from your incoming semester. It will tell you exactly what you will have to take to graduate, as well as other valuable information about University academics. If you have a question about something in the *Bulletin*, contact your faculty adviser or the Advisement Office.

After completing each semester, you will receive a Degree Audit Report (DAR). The DAR will indicate your grade point average, how many credits you have earned, and how many credits you must complete to graduate. DARs are mailed to each student in October and March. Remember to bring your current DAR with you when you visit your adviser for a registration card signature. If you have a question regarding registration, deadlines or the final exam schedule, call the Office of Financial and Academic Records.

It is important to remember that as a Hofstra student, you are required to maintain academic integrity. Faculty Policy Series #11, detailing procedures for handling violations of academic honesty, is printed in Section VII. Take a few minutes to learn your rights and what is expected of you.

ADVISEMENT

Academic Advisement and related academic services are provided through the three offices that comprise the Center for University Advisement:

The Office of Academic Advisement (202 Davison Hall) provides academic advisement to new and prospective students, and all undergraduate students who have not yet declared their majors. The office also offers many services for students with declared majors, including career exploration, study skills assistance, and academic support for students with physical disabilities (PHED), student-athletes, first-year students, and students in academic jeopardy. Students are invited to work on SIGI-Plus, an interactive computer program that can help students examine their work-related values and interests, and focus on possible career paths. In addition, preprofessional advisement is available through this office for students contemplating graduate training in either law-or health-related professions.

The University Tutorial Program (202 Davison Hall) provides free tutorial services to all current Hofstra undergraduates experiencing academic difficulty. Students wishing to become tutors can also find a rewarding source of employment through this office.

The Office of Part-Time Studies (105 Memorial Hall) provides comprehensive academic support for the University’s part-time undergraduate students, graduate non-matriculated students, University College of Continuing Education certificate students and visiting students.

Once students have declared their majors, they receive their primary academic advisement from assigned faculty advisers in their major departments.

ALUMNI RELATIONS

There are more than 92,000 Hofstra alumni worldwide. Hofstra’s Alumni Relations Office serves as the link between Hofstra alumni and the University. The Alumni Relations Office in partnership with the Hofstra Alumni Organization strives to provide opportunities for alumni to remain informed and involved with their alma mater.
In addition to planning Homecoming and Reunion events each year, the Alumni Relations Office and the Alumni Organization provide services to alumni worldwide, including the *Hofstra Update*, published three times each year; membership opportunities within alumni groups; Library and Recreation Center privileges; and the Hofstra Visa card. Campus event and bookstore discounts are also available to all alumni.

**AMBASSADOR PROGRAM**

The Student Ambassador Program is designed to give prospective Hofstra students a preview of student life at Hofstra University. Ambassadors are dedicated, enthusiastic Hofstra students who volunteer their time to host prospective students on Hofstra’s campus for a day. The prospective student attends classes, meets faculty, participates in student activities, and spends a night in a residence hall as a guest of the University. The Student Ambassador Program is a great way for Hofstra students to show prospective students their “Hofstra Pride.” For more information about becoming a Student Ambassador, visit the Hofstra Admissions Office or call (516) 463-6700.

**ARBORETUM**

Hofstra’s 240 acres provide a beautiful campus setting that inspires and motivates its students. The Hofstra campus is a registered member of the American Association of Botanical Gardens and Arboreta, one of only 58 universities with such credentials. Today, more than 8,000 evergreen and deciduous trees represent 425 species and varieties, and the number is increasing every year. The Friends of the Hofstra University Arboretum have developed a two-acre plot of land for a distinctive bird sanctuary. Most important, the sanctuary serves as an educational prototype for New York State. Information and brochures about self-guided tours are available by calling (516) 463-6815.

**ATHLETICS**

Hofstra’s athletic programs are competitive on a national level. In recent years enthusiasm about and involvement in the athletic programs at Hofstra have continued to grow. Within the programs there are opportunities for all men and women student-athletes to compete in well-financed, quality Division I programs. The facilities include the Physical Fitness Center on the North Campus for indoor sports such as basketball, volleyball and wrestling. Hofstra Stadium, located on the South Campus, has facilities for outdoor sports such as football, field hockey, lacrosse and soccer.
The University sponsors nine teams for women: basketball, cross country, volleyball, softball, tennis, soccer, field hockey, golf and lacrosse; and nine teams for men: football, basketball, wrestling, lacrosse, soccer, baseball, tennis, golf and cross country.

To be eligible for intercollegiate competition, a continuing student must have earned a minimum of 24 semester hours of credit in the preceding academic year. This minimum shall not include grades of F, W, NC or INC. A first-year student entering from high school must meet the core curriculum standards as required by NCAA regulations.

Students, faculty and staff are admitted free to all regular season athletic events.

**BANKING**

A Chase Manhattan Automatic Teller Machine is conveniently located across from the Service Desk in the Student Center. If you would like to open a local account, Chase Manhattan representatives are available in the Student Center Atrium during the first few weeks of each semester. There is also an EAB ATM located in Memorial Hall. Fleet Bank is the closest off-campus banking facility. It is located west of Hofstra on Hempstead Turnpike, and is just a five-minute walk from campus.

Student Computing Services (SCS) provides a cohesive, consistent level of computing service for all students, whether they are residential or commuter, by supporting student computing needs in the residence halls and the open access labs.

Student Computing Services provides three services for students:
1) **ResNet** provides residential students with computing support in the dorms.
2) **Open Access Computer Lab Support** in the labs located in Calkins Hall, C.V. Starr Hall, Gallon Wing, McEwen Hall, Memorial Hall and the Hammer Lab in Axinn Library East

3) **Employment Opportunities and Training** for students interested in learning more about computing and computing services.

**The ResNet Office** is located in 110 Student Center and can be reached at (516) 463-3000. This office provides resident students with technical support services to connect personal computers to the Hofstra Network. Each student in every residence hall has a dedicated network connection providing high-speed access to the Internet and to services available on the Hofstra Network, such as Groupwise e-mail.

Open access computer labs can be found in the following locations:
- Calkins Lab, 106 Calkins Hall
- Dionne Lab, 216 McEwen Hall
- Gallon Lab, 240 Gallon Wing
- Hammer Lab, first floor, Axinn Library East
- Weller Lab, 015 Weller Hall

These labs are staffed by trained student assistants who are available to work with students in the use and application of resources in the labs. These labs are available to all Hofstra students, with a *valid* HofstraCard, to complete class assignments and for personal development.

More than 300 workstations (PC, Macintosh and UNIX) are available throughout the South Campus. Hammer Lab, Weller Lab and Dionne Lab contain high-end Windows-based PC workstations. Calkins Lab has both high-end PCs and Macintosh G3 systems. The Gallon Lab contains Macintosh G3 systems.

Several specialized labs are also available in many departments on campus. UNIX stations, for example, are available in the Computer Science, Math and Engineering Departments. Additionally, a CD-ROM writer, scanners, video digitizing equipment, color printers, Web authoring and specialized multimedia software are available in the Dionne Lab located in McEwen Hall.

Lab hours of operation and further details about the computing resources on campus are available on the Web at [www.hofstra.edu/scs](http://www.hofstra.edu/scs).

**SCS Employment Opportunities and Training**

All Hofstra students are provided with e-mail and individual network accounts. SCS (Student Computing Services) is available to train students in the use of these services. SCS also provides training and employment opportunities for students interested in developing their computing skills. See the Student Computing Services Web site at [www.hofstra.edu/scs](http://www.hofstra.edu/scs) for the schedule of training sessions.
STUDENT COMPUTING RESPONSIBILITIES FOR ALL
HOUSTON COMPUTER AND NETWORK USERS:

Hofstra University is pleased to provide you with an account to access
Hofstra University's computing and information facilities. Your access to
the University's computing and information facilities is granted subject to
local, state and federal laws, as well as the University Judicial Code.

The following guidelines are designed to promote legal, ethical and aca-
demic honesty and encourage appropriate use of these shared resources.
Adherence to these guidelines demonstrates respect for the laws of intellec-
tual property, ownership of data, system security mechanisms, and an indi-
vidual's right to privacy and freedom from intimidation, harassment and
unwarranted annoyance.

Hofstra University expects you to exercise responsible, ethical behavior
according to these guidelines when using its computing facilities. Access
to Hofstra University computing and information facilities is granted as
long as these guidelines are followed. By connecting and/or logging into
the Hofstra University network and computing facilities, the user agrees to
the terms and conditions of these Acceptable Use Guidelines as outlined
below.

COMPUTING NETWORKS ACCEPTABLE USE GUIDELINES

Access and use of computing and networking resources at Hofstra Univer-
sity are privileges extended to members of the Hofstra community. Access
to Hofstra computing and networking resources is limited to authorized
users and is for approved purposes only. An "authorized user" is defined as
"any member of the Hofstra community who is issued a HofstraCard, and
UCCE faculty and students.

Registered students have individual accounts that can be used in any of the
open access lab facilities and are also provided with access to the Internet
and e-mail resources from the residence halls.

Hofstra University computing resources include computer hardware and
software, computer-based files and data, the campus-wide data network,
and all networks reached via this campus-wide network, such as the
Internet. Approved purposes are those consistent with both the broad
instructional, administrative and research mission of Hofstra University and
the user's relationship with the University.

Hofstra University's Computer Center provides data network services
(known as the HOFSTRANETWORK) for all organizations within the
University. The Computer Center provides centralized computer-related
services for instruction, administration and research. Other Hofstra schools
and departments may have specialized computer resources and applications
necessary for their department and/or academic discipline.
Each holder of a Hofstra Network account, or any school or departmental account permitting network access, such as UCCE, has the responsibility to use resources referred to above in an ethical and legal manner and agrees following as conditions for use of the account:

- I understand that my access to Hofstra's computing resources is for the sole purpose of facilitating my work as a University student.

- I will respect the privacy and reasonable preferences of other users (both at Hofstra and elsewhere on all connected networks), including the privacy of their accounts and data.

- I will respect the integrity and security of the systems and network, and will exercise care to maintain their security.

- I understand that computer accounts are for sole use by the account owner, and I will not share my account with other individuals or use an account assigned to another individual.

- I will take precautions to safeguard passwords and other privileged information to which I have been given access. Any passwords, verification codes or electronic signature codes assigned to me are for my individual use only. I will regard them as personal identifiers of my computer use, similar to my signature on a document.

- I understand that I am responsible for all actions performed from my computer account.

- I will not attempt to monitor other individuals' computer or network use, nor will I attempt to obtain their passwords or any private information.

- I understand that, in the course of my work, I may be given, or otherwise gain, access to confidential or privileged information relating to this or other institutions, or to Hofstra students, employees, or other individuals or groups. I will respect the confidentiality of all information without appropriate consent nor seeking to obtain access to confidential information to which I am not entitled.

- I will not make unauthorized copies of software, or perform unauthorized installations of software or reconfigurations of systems. In addition, any receipt, transmission, use or destruction of software or data must observe U.S. copyright laws and licenses restrictions.
• I understand that accessing, altering or destroying any document, file or University records that I do not own or have rights to, is a violation of these policies.

Network – whether provided by organizations within or outside the University – may be subject to additional norms of behavior or regulations specific to the resource, which I agree to follow.

• I understand that my account is intended for the pursuit of my educational goals. I may not use the Hofstra University computer resources to solicit sales, conduct business or advertise or sell a service, or use the system for any illegal activities. This applies to the use and application of any University resources, such as, but is not limited to, Internet access or e-mail through my personal computer.

• I understand that the Hofstra Computer Center must authorize the connection of a personal computer or device to the Hofstra University Network.

• I may not engage in activities that damage or disrupt communications, hardware devices or software applications, such as, but not limited to, virus creation and propagation, circumventing system protection mechanisms, playing games in the labs and/or overloading the network with excessive data.

• I understand that as a matter of routine maintenance, use of Hofstra computer systems and Hofstra Network is monitored and recorded by authorized University staff members in order to safeguard the security and smooth operation of these resources. The University reserves the right to disconnect individual machines or sub-networks of HOFSTRANETWORK in order to preserve the smooth functioning and security of the network as a whole.

POLICY VIOLATIONS
Violators of the policies outlined in this document and those listed on the Hofstra University Acceptable Use for Computing Policy Web site may find their network access disabled, with no prior warning, until a full investigation is completed or sufficient safeguards have been put into place to ensure that no further violations take place.

It is the responsibility of all Network users to accept full responsibility for the use of their accounts and machines, and to preserve their sole individual use of their accounts by not sharing them with other individuals, by maintaining secret passwords, by changing passwords frequently, and by selecting passwords that are difficult to guess or decrypt.

DISCLAIMER
Hofstra University is not responsible for any loss of data or damage to hardware or software on your personal systems at home or in the residence halls.
Hofstra University believes in the user's rights to privacy; however when there is sufficient evidence of wrongdoing, the University reserves the right to examine and impound any file, information or computer system(s) resident or attached to the Hofstra University network.

All persons accessing Hofstra University computing resources will be held accountable for their conduct. Conduct that involves the use of University resources in an inappropriate manner or that violates another person's rights may result in revocation of computing usage privileges and is subject to University disciplinary action as outlined in the University's policies and Judicial Code as described in the Guide to Pride. Such conduct may also be subject to criminal or civil legal action.

Any abuse or violation of the rules outlined here (or of other rules and practices governing the use of computer networks to which Hofstra is attached) will lead to: account suspension and immediate review, with the possibility of account revocation; further disciplinary action in accordance with Hofstra University rules and procedures; and referral to local, state and federal law enforcement authorities.

These privileges and further clarifications are continuously reviewed and amended. Please refer to www.hofstra.edu and link to Student Computing Services Policies.

CONFIDENTIAL EDUCATIONAL RECORDS

Once a student has reached 18 years of age and/or becomes matriculated in an institution of postsecondary education such as Hofstra University, parents must request and receive consent of the student before they may gain access to the student’s education records. Therefore, without consent of the student, parental access to confidential records that are maintained by Hofstra University would be a violation of the Family Educational Rights and Privacy Act (FERPA).

COUNSELING SERVICES

Personal, career and educational counseling services are available to all students at the Saltzman Center. Individual and group counseling, evaluations for academic difficulties and career interest testing are among the services provided. Counseling services are confidential and administered by a staff of psychologists and psychology interns. During the academic semester, counseling is available from 9 a.m. to 9 p.m., Monday through Friday, and on Saturday from 10 a.m. to 3 p.m. Counseling appointments can be scheduled by calling (516) 463-6791. The Degree Audit Report (DAR) provides the student with a list of the requirements that must be completed in order to receive a Hofstra degree. General University requirements, core requirements and major requirements are shown on this report. Courses that the student has completed are shown in each area indicating progress toward completion of the degree. The degree audit indicates the remaining courses and number of semester hours required to complete the program. The DAR is mailed to students twice a year, in March and October. Students should use the DARs to review their requirements before meeting with advisers to plan schedules for the next semester.

FESTIVALS

Dutch Festival
Hofstra University maintains a strong identification with its Dutch heritage. The annual Dutch cultural festival commemorates this lineage by providing students, faculty, administrators and the community-at-large with an opportunity to enjoy Dutch-related entertainment, fine food, art and unique crafts. A highlight of the festival is the campus itself. Festival visitors find Hofstra’s already beautiful surroundings enhanced by nearly 100,000 colorful tulips that bloom just in time for the celebration each spring.

Italian Festival
Each year Hofstra presents an Italian festival, drawing thousands of people from the tristate area. Unlike any other Italian festival, the Hofstra celebration emphasizes the many Italian contributions to American culture. The festival includes concerts, dancers, singers, native food, wine tasting and craft exhibitions.

Irish Festival
The newest of Hofstra’s festivals, the Irish festival is a fun-filled day for the entire community. Top-name Irish bands and step-dancing troupes are among the many entertainment acts during the day. Also on hand are Irish vendors and crafts.

For information pertaining to the Dutch, Italian and/or Irish festivals, contact Jeannie Werner at (516) 463-6580.
FINANCIAL AND ACADEMIC RECORDS

The Office of Financial and Academic Records awards financial aid to many students in the form of scholarships, grants, loans and jobs. This office also maintains students' academic records. For specific information on financial aid or records, visit the Student Administrative Complex on the second floor of Memorial Hall.

THE OFFICE OF FRESHMAN ADVANCEMENT

College is full of new experiences and new concepts. The Office of Freshman Advancement is dedicated to assisting first-year students through the transitions that they will experience during the first year of college. Freshman Advancement helps make the first-year transition "seem seamless"! Freshman Advancement helps students create their experience.

Freshman Advancement helps to promote a positive first-year experience at Hofstra University through one-on-one assistance, resource referrals, and a variety of social and informational programs, including special interest discussion groups.

The Office of Freshman Advancement begins working with new students as early as New Student Orientation and continues to reach out through special programs, such as First-Year Early Intervention Request and the Mentor Program, which brings new students together with upperclassmen in a social environment. These are great tools for helping new students to acclimate to student life. Publications such as the New Student News newsletter and the First-Year Student Survival Guide are full of vital information for students.

Freshman Advancement is continually looking at ways to serve students better. For more information please contact the Office of Freshman Advancement at (516) 463-6320 or drop by our office at 200 Davison Hall. Let us help you!

HOFSTRA MUSEUM
The Hofstra Museum, established in 1963, installs about 15 exhibitions annually from its own collection and artwork on loan in three galleries. The entire campus serves as an exhibition area since many public spaces and University offices have works displayed from the Museum’s collection. More than 60 pieces of sculpture are also on display at various outdoor locations on Hofstra’s 240-acre campus. The sculpture collection is the result of generous gifts to the University from families and individuals, and some of these works have been loaned to the Museum for public display. Spend some time enjoying these gallery exhibitions and the outdoor sculptures that enhance the campus’s stature as an arboretum. The most recent addition to this collection is the Hofstra Labyrinth, a 40-foot diameter of stone inlay that offers a soothing, meditative experience to visitors.

**HOMECOMING/FAMILY WEEKEND**

October 20-22, 2000

Each year students and their families come together to take a closer look at Hofstra University. Family Weekend is a weekend of fun-filled and diverse activities designed to enable students and family members to visit with one another. The time spent on campus during Family Weekend is a wonderful opportunity to experience student life at the University. We encourage families to participate in all of the weekend’s special events. The weekend is scheduled in conjunction with Hofstra’s annual Homecoming. Homecoming is held each fall, sponsored by the Offices of Alumni Relations and Student Activities. This exciting event encompasses the entire Hofstra community with hundreds of alumni returning to their alma mater for the festivities. Serving as Grand Marshal and Parade Marshal of the annual Homecoming parade are the Alumnus of the Year and the Honorary Alumnus of the Year as selected by the Hofstra Alumni Organization and the Board of Trustees. The Homecoming Parade begins on campus, follows a route through Hempstead and Uniondale, and ends at Hofstra Stadium. The football game holds excitement for all as the "Pride" compete against a Division I-AA rival, the Homecoming King and Queen are crowned, and the winners of the float competition are announced. Weekend events include: educational and social seminars; a pep rally/bonfire with performances by the Hofstra cheerleaders, kickline and pep band; float building; the Homecoming Parade; a “wine and cheese” reception; pregame and post-game celebrations; and
the third Annual Hofstra Cabaret performances by Hofstra students. Information is sent to parents and alumni in early September. For more information please feel free to contact the Dean of Students Office at (516) 463-6913.

Check the board frequently if you are looking to work on campus during the Fall, Spring or Summer semesters. Come to the Office of Student Employment for more information about working while attending classes. For off campus jobs, go to the Career Center and ask for part-time, summer, or internship information.

JUDICIAL BOARD

The Student Judicial Board operates under the auspices of the Dean of Students Office. A student who has been charged with a breach of University policy has the option to accept responsibility for the charge or take their case to a board. If the student chooses a board, they may take the case to an Administrative Hearing Panel, or have the Student Judicial Board adjudicate the matter.

Hofstra's Student Judicial Board is composed of a panel of student justices. The Board is in session during the fall and spring semesters. Disciplinary hearings are conducted on Tuesdays and Thursdays between 4 p.m. and 7 p.m. Also, the board hears parking appeals on the first Tuesday of each month.

Each semester the board accepts applications and conducts interviews for prospective members. To be eligible for the position, you must be recognized as a full-time matriculated student as well as in good academic standing with the university. A prospective member must also be in good judicial standing with the Dean of Students Office.

For further information on the Student Judicial Board, contact the Dean of Students Office, 243 Student Center at (516) 463-6913.

JUDICIAL CODE

A Hofstra University education involves the development of students as scholars and as citizens. Hofstra students are regarded as adults who are capable of making decisions and being responsible for those decisions. An agreement exists between students and University personnel to promote social, emotional and intellectual growth for every member of the Hofstra community. Because Hofstra University is a community, certain standards of behavior have been established to avoid infringement upon the rights and freedoms of other members. If a student violates these standards, the
University takes appropriate steps through its disciplinary system to enforce the policies and regulations set forth in the Faculty Policy Series, the University Policy Series and the Judicial Code, included as Section VI in this publication.

The procedures, policies and regulations outlined in the section on Student Rights and Responsibilities are designed to provide clear, concise information about the Hofstra University judicial system. It is also the purpose of the Judicial Code to inform students of their rights and responsibilities as members of the Hofstra community.

**Student Rights and Responsibilities**

As a member of the Hofstra community, additional freedoms shall include, but not be limited to:

- the right to read, sleep and study free from undue interference, including unreasonable noise.
- the right to one’s personal possessions.
- the right to free access to one’s room and suite facilities.
- the right to a clean environment in which to live.
- the right to personal privacy.
- the right to host guests in accordance with established University policies.

These rights carry with them a responsibility on the part of the individual to ensure those same and equal rights to other members of the Hofstra community. Included in this reciprocal understanding is the responsibility of a student for his or her guests’ behavior.

**KICK-OFF WEEKEND/MOVING DUTCH**

Each year the Office of Student Activities coordinates Kick-off Weekend and The Moving Dutch Program to commence the academic year. Kick-off Weekend takes place the weekend before classes start for the fall semester. Kick-off Weekend is not only a great way to become familiar with Hofstra's campus, but it is also one of the best ways to meet friends that will last a lifetime. It is a weekend filled with exciting events such as parties, drive-in movies, carnivals, and the Activities Fair where you can learn more about clubs and organizations on campus. Upperclassmen volunteer for the weekend to help freshmen get acquainted with their new environment.

For those students living in the residence halls, Hofstra University makes the transition from home to campus as easy as possible. The Moving Dutch Program is designed to help make this transition a pleasant and wel-
coming experience. The Moving Dutch volunteers are Hofstra students who are available to help new students move their belongings into their assigned residence halls and answer any questions asked by entering students and their families.

**LANGUAGE LABORATORY/LEARNING CENTER**

The language laboratory offers resources to students studying foreign languages, English as a Second Language, and students enrolled in the Hofstra Speech Program. **RECYCLING**

Hofstra has made significant contributions toward protecting the environment by its comprehensive recycling program. In the past eight years, more than 700 tons of white and computer paper have been diverted from the waste stream into our recycling program. Cans, glass and plastic containers are being diverted from the waste stream by a sort separation program at the terminal of our outside refuse hauler and thus no separate sort and storage program is necessary on campus.

**RESIDENTIAL LIFE**

The Office of Residential Life, 244 Student Center, provides housing and residential service for approximately 4,000 students living in 36 residence halls. This department employs approximately 170 staff members who are here to assist and support the residential community. Any concerns with your room or suite should be reported immediately to your Resident Assistant (R.A.). Telephone and cable problems can be resolved by dialing (516) 463-6601 from any campus telephone. For further information on residential living at Hofstra, read *The Living Factor*, published by the Office of Residential Life.
Hofstra's Residential Life program offers a variety of living environments geared to meet the diverse needs of our students.

The high-rise residence area (Alliance, Bill of Rights, Constitution, Estabrook, Enterprise, Vander Poel) is made up of traditional corridor-style halls. Each residence hall is coed except Bill of Rights Hall, which is an all-female residence hall.

Or suite-style housing is available in four distinct residential communities: Nassau/Suffolk, Colonial Square, the Netherlands and the New Complex. Colonial Square, consisting of 14 individual houses, offers suites with or without lounges. The Netherlands complex consists of 13 houses similar to those in Colonial Square. The Netherlands houses first-year students and undergraduates, and offers special interest housing for honors students. The New Complex houses graduate and undergraduate students in suites or super-single rooms.

Each residence hall has public kitchen facilities, laundry and vending areas, and common lounges for recreation or for quiet study. All residence halls have designed quiet and nonsmoking floors. All rooms on campus have direct access to the Internet, cable and an upgraded phone system.

The residence halls on campus are open each day throughout the academic year. Each residence hall entrance is monitored 24 hours a day by resident safety representatives. The halls are supervised by a Resident Director (R.D.), an Assistant Director (A.D.), and a staff of between eight and fourteen Resident Assistants (R.A.s). R.A.s are responsible for building a community atmosphere on their floor via social and educational programming. R.A.s are excellent campus resources who assist students in a variety of ways. There is also a professional administrator able to provide residents with any assistance required.

In addition to the on-campus residence hall buildings described above the Office of Residential Life maintains Twin Oaks Apartments, an off-campus housing option primarily for graduates, faculty and staff.

Students should carefully review the Residential Living Agreement they signed when they applied for housing on campus. Students should also become familiar with The Living Factor, which they receive when they check into their rooms. These documents contain detailed information regarding all policies and procedures concerning on-campus living. For information, please contact the Office of Residential Life at (516) 463-6930.

The Saltzman Center also hosts a broad range of clinical services for speech, language and hearing; literacy and learning; psychological evaluation; research and therapy; and counseling for family and relationship problems. In addition to providing much-needed services to the community-at-large, and to members of the Hofstra community, the Saltzman Center is an invaluable training, educational and research resource to students in the University's School of Education and Allied Human Sciences and the College of Liberal Arts and Sciences.

- Lifeguard
- Graduate Assistant
- University Student Aide
- Resident Assistant
- Student Patrol Officer
- Temporary Employment

HOW TO APPLY FOR A JOB ON CAMPUS
Jobs are available in many departments on campus whether on a University-funded budget or through the Federal Work Study Program. Eligibility for student employment is available to matriculated students who are in good academic standing and, for a number of jobs on campus, have demonstrated financial need. Financial need is determined by the Office of Financial and Academic Records, and is based on information provided in the FAFSA (Free Application for Federal Student Aid) form.

To apply for an on-campus Federal Work Study job, the student must obtain approval from the Office of Financial and Academic Records before visiting the Office of Student Employment for referral to a job. Students are permitted to work a maximum of 20 hours per week at salaries starting at the current minimum wage. Hours and salary rates vary dependent upon department needs and student skills.

A number of offices on campus frequently employ undergraduate assistants and graduate assistants for special projects. These positions are not financial-aid based. Applications can be made directly to the department. These jobs may also be advertised at the Office of Student Employment.

For off-campus part-time employment, internships and summer jobs, see The Career Center at (516) 463-6060.
STUDY ABROAD

Study abroad can be fun and educational. Much of the value of the experience comes from coping with the challenges of and learning to adapt to a foreign environment. Living in another country fosters patience, changes attitude, develops maturity and self-confidence, and enhances understanding of our complex world. A carefully chosen overseas study program can contribute not only to academic and personal growth but to career goals as well.

At Hofstra University, we take pride in the diverse selection of study abroad programs available. Whether students choose to study abroad to enhance the proficiency of a specific language, or to expand the knowledge of a specific culture or concentration, we can find an appropriate program. Hofstra offers various program lengths, from a semester to a full year or during the winter or summer sessions.

Undergraduate students can choose from a number of programs, which have been developed over the years by the College of Liberal Arts and Sciences, New College, the Zarb School of Business, and the School of Communication. Students who are interested in studying abroad should meet with a Study Abroad Coordinator in order to find out more information about our international programs.

Students who want to pursue programs through another university can be advised by the International Students Office about available programs elsewhere. To be eligible to receive credit towards a bachelor's degree, students must have courses approved in advance on the Permission to Enroll at Another Institution form, available from the International Students Office or the Dean's Offices.

For more information call (516) 463-6947, or stop by the Office of International Study Abroad Programs in 240 Student Center, or e-mail: StudyAbroad@Hofstra.edu.
SUMMERFEST/WINTERFEST

During the January Session and Summer Sessions I and II, the Office of Student Activities plans activities ranging from Broadway shows to baseball games to dance parties. For more information, contact the Office of Student Activities, located in 242 Student Center or call (516) 463-6914.

TELEPHONE SERVICE/VOICE MAIL/CABLE TV

All residence hall rooms on campus are furnished with a telephone, voice mail service and Cable TV service. Students will be assigned their own personal phone number for incoming and outgoing calls. Every student’s personal number will have a voice mailbox enabling them to receive private messages, which can be retrieved by using a personal voice mail code.

TELEPHONE SERVICE

Each student will have their own PSC code (Personal Security Code) to make outgoing calls. These codes are for your security and should not be given to anyone else to use. You will be responsible for all calls made on your PSC code. A PSC code to make outgoing calls will be sent to you before your arrival on campus. If you do not receive a code before your arrival, please contact Student Telephone Services to get your code by dialing (516) 463-4200. You may have your bills sent to your residence hall room or to your home. You may pay your bills by check or credit card. Please make mailing and credit card arrangements with Student Telephone Services when setting up your PSC code.

The standard monthly limit on phone calls is $100. If you do not pay your bill on time, or if you go over the $100 per month limit, your code will be turned off until payment is received by Student Telephone Services. Any billing inquires should be directed to Student Telephone Services at the number listed above.

VOICE MAIL

Your extension and voice mailbox number are the last five digits of your phone number beginning with a “3.” To initialize your voice mailbox, dial x3-5000, then *, then your mailbox number.

If your voice mail has not been reset, you will hear a previous student’s name. If this is the case, you will need to call the Hofstra operator by dialing “0” and ask to have your voice mail reset. You must call the operator from your room, and provide him or her with your full name, extension, room number and building name.

If your voice mail has been reset, you will hear a recording asking you to put in your temporary password, which is 1-2-3-4-5. You will then be instructed to put in a password of your own choosing. It must contain at
least five (5) digits, but no more than 11 digits. You will then be prompted to record your first and last name, and a personal greeting message. You will need your password to retrieve your messages.

**HOFSTRAVISION**

Hofstra students can offer or receive rides by placing information on the Travel Board located near the Service Desk in the Student Center.

**TUTORING**

The University Tutorial Program is a unit of the Center for University Advisement designed to provide academic assistance to Hofstra’s undergraduate students. Individual and group tutoring is the focus of the program. Tutorial assistance may be requested during the fall and spring semesters for as many as three (3) courses. Students are entitled to one 1-1/2 hour tutoring session per course per week. Tutors are assigned on a first-come, first-served basis. The entire application process takes approximately one week.

In addition to individual and group tutoring, several academic departments sponsor tutoring in a laboratory-type setting in conjunction with the University Tutorial Program. This arrangement provides students with yet another way to obtain academic assistance.

Students requiring assistance or additional information should contact the University Tutorial Program office located in 202 Davison Hall or call (516) 463-3500.
Hofstra University furnishes its students with a multitude of community service opportunities through a variety of student organizations. Members of the Hofstra community interested in providing general assistance to the needy will find an outlet through Circle K. This organization involves college and university students in campus and community service while developing quality leaders and citizens. Alpha Phi Omega Coed Service Fraternity has established a student interest group seeking full recognition. This group provides an opportunity for students to participate in service-related projects within the context of fraternal life. Students interested in a specific philanthropic goal can also find organizations targeted at their specific interests. Those who would like more information regarding these or other service opportunities should visit the Student Activities Office in Room 242 Student Center or call (516) 463-6914.

**OFFICE OF VOLUNTEER SERVICES and SPIRIT SUPPORT**

This office is designed to enhance and contribute to the athletic and altruistic needs of the University community. The unique combination of school spirit, pride and service learning (volunteerism) is the basis and foundation from which this office has evolved.

One component is the Hofstra University Spirit Support Teams. This unique and exciting association is comprised of the Coed Varsity and Women’s Varsity Cheerleading Teams, the Dance Team, the Pep Band and the Mascots, of course. These groups form the Spirit Support Group whose major role is to increase spirit and student involvement at Hofstra University. Its main purpose is the support of Hofstra’s athletic teams. Its joint effort is a strong indication of the unity so common among Hofstra students.

Complementing the spirit unit, the volunteer service program is designed to enhance students’ educational experiences, foster value development, and encourage responsible citizenship by participation in the University’s volunteer service program. The office also provides a listing of agencies for students interested in volunteering. Students may participate with a diverse number of community-based programs both on campus and in the surrounding communities. The office also assists students in developing partnerships with local agencies where they will have an opportunity to explore, organize and coordinate efforts to assist individuals in need. Any interested students should stop by the office located in 221 Student Center or call (516) 463-3469.
WRHU

WRHU-FM broadcasts to most of Long Island and New York City, as well as parts of Connecticut and New Jersey on 88.7 FM. Hours during the year are 5 to 3 a.m., Monday through Friday, and 9 to 3 a.m., Saturday and Sunday. Especially noteworthy is Hofstra’s “Morning Wake-up Call” program. It features news, music and special information for students, staff, faculty and the community weekdays from 7 to 9 a.m.

The station is student-staffed and operated with the help of professional members of the School of Communication and community volunteers. The station offers a free 10-week, non-credit class per semester to students interested in joining the station. Topics covered in the class include audio engineering, announcing, production and more. Regular work at WRHU is recommended as one of the most effective ways to learn radio broadcasting and audio production. WRHU has an operating staff of more than 100 people. For more information stop in at 127 Dempster Hall.

Administrative Staff: Bruce Avery (General Manager), (516) 463-5430
Michelle Lisi (Operations Manager), (516) 463-5106

WRITING CENTER

The Writing Center (located in 208 Calkins Hall) offers free, one-on-one instruction concerning challenges such as writer's block, essay organization, and revision. Tutors assist students working on critical essays or research papers for their courses as well as cover letters or personal statements for applications to graduate schools or prospective employers. Rather than proofreading papers for students, tutors teach students to identify errors, edit and revise their own writing. In this way, tutors work to produce better writers as well as better writing. Although the Writing Center serves the entire Hofstra community, students enrolled in English Composition courses should seek help from their instructors rather than from the Writing Center tutors. For further information, please contact the Center by telephone at (516) 463-5463 or by e-mail at enghofwrit@hofstra.edu.
The Office of Student Activities is delighted to welcome you to the Hofstra family. We invite you to get involved with the many clubs and organizations that we offer for all the students. I challenge you to get involved–come into our office and visit with us, get to know the Office of Student Activities staff. We are here to help you enjoy your college experience.

I look forward to meeting you in the fall.

Anita M. Ellis
Director of Student Activities
To the Hofstra Community:

On behalf of the Student Government Association, I would like to welcome you to Hofstra University for the 2000-2001 academic year.

The Student Government Association (SGA) provides many services and leadership opportunities for students here at Hofstra University. Consider the fact that the average student spends 15 to 18 hours in class each week. That leaves more than 150 hours to study, eat, sleep, or socialize. I encourage you to take some time and get involved with Hofstra's 120 student-run clubs and organizations. SGA supports these clubs and annually budgets $600,000 to all of them. For example, our Program Board plans club-style parties and campus-wide social events, and our student-run Concerts Board has brought such acts as Amber, Busta Rhymes and Third Eye Blind to our campus. SGA is very receptive to students who wish to form their own clubs, and any student may also propose legislation for the consideration of the SGA Senate.

Aside from organizations, SGA also provides various student services to benefit the entire campus community. In recent years, we have installed coin machines in the residence halls, launched a check-cashing service, and lobbied the University administration on various student issues. The 2000-2001 school year promises to be one of productivity and fulfillment, and I challenge all of you to help us reach our goals.

Just in case none of the various business, religious, cultural or ethnic clubs get your attention, SGA itself is always recruiting potential student leaders for the new Senate. Our office is located in 207 Student Center. Stop in or call us at (516) 463-6960. We'd love to hear from you.

Sincerely,

Matthew P. Landry
President, Student Government Association
The Student Government Association is the elected body of full-time undergraduate students who represent the overall student population of the University.

SGA addresses everyday student concerns such as the dining facilities’ hours of operation and student parking as well as University actions that may affect student life, such as revising admissions standards and financial aid programs.

SGA offers a variety of student services, including a test file, a check-cashing service provided by the Bookstore, and a 24-hour computer lab located on the second floor of the Student Center.

The SGA president and vice president have seats on the University Senate and the Board of Trustees, serving as liaison between the students and the faculty, administration and Board of Trustees.

Each semester the SGA receives a percentage of the activity fees collected from each full-time undergraduate student and allocates this money to the clubs and organizations governed by the SGA. Money is also used to improve student facilities and activities as well as host an array of cultural, recreational, social and academic events.

Any full-time undergraduate student with a minimum 2.25 cumulative grade point average is eligible to be a senator of the Student Government Association. Anyone interested in becoming a member or voicing an opinion or suggestion should visit the office in 207 Student Center during normal business hours or call (516) 463-6960.

STUDENT CLUBS AND ORGANIZATIONS 2000-2001

If you have an interest that no club addresses, you may form one. For more information on forming your own club, contact the Student Activities Office, (516) 463-6914.

**PREAMBLE**

A Hofstra University education involves the development of students as scholars and as citizens. Hofstra students are recognized as adults who are capable of making decisions and being responsible for those decisions. Hofstra University seeks to promote social, emotional and intellectual growth for every member of the Hofstra community. Because Hofstra University is a community, certain standards of behavior have been established to avoid infringement upon the rights and freedoms of other members. If a student violates these standards, the University takes appropriate steps through its disciplinary system to enforce the policies and regulations set forth in, but not limited to, the Faculty Policy Series, the University Policy Series, the University Sexual Assault Policy, the University Sexual Harassment Policy, the University Computer Networks Acceptable Use Guidelines, the Residential Life “Living Factor”, the Residential Life Living Agreement and this “Judicial Code”. The procedures, policies and regulations outlined in this pamphlet are designed to provide clear, concise information about the Hofstra University judicial system. It is also the purpose of this publication to inform students of their rights and responsibilities as members of the Hofstra community.
STUDENT RIGHTS AND RESPONSIBILITIES
As a member of the Hofstra community, student rights shall include, but are not limited to:

1. the right to read, sleep and study free from undue interference, including unreasonable noise;
2. the right to one’s personal possessions, the right to free access to one’s room and suite facilities, the right to a clean environment in which to live;
3. the right to personal privacy; and
4. the right to host guests in accordance with established University policies.

These rights carry with them a responsibility on the part of the individual to ensure those same and equal rights to other members of the Hofstra community. Included in this reciprocal understanding is the responsibility of a student for his or her guests’ behavior.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (1974)
To comply with the provisions of the Family Educational Rights and Privacy Act of 1974 (and amendments), Hofstra University will not release educational records or personally identifiable information contained therein, other than directory information, without the concerned students' written consent.

Directory information at Hofstra University includes the student's name, dates of attendance, date of graduation and degree earned. Other kinds of directory information, such as student's address, telephone listing, major field of study or previous institution attended will be released only in response to a written request. Hofstra University reserves the right to refuse the above information if the reason for the request is not considered to be a sufficient need to know.

At the postsecondary level, parents have no inherent rights to inspect a student's education record. The right to inspect is limited solely to the student. Records may be released to the parents only under the following circumstances: (1) through the written consent of the student (2) in compliance with a subpoena or (3) by producing a copy of the most recent Federal Income Tax form showing that the student was claimed as a dependent. An institution is not required to disclose information from a student's education record to the parents of a dependent student. It may, however, exercise its discretion to do so.

FELONIES:
Felonies committed on campus may be reported to civil authorities. In addition, regardless of the location of the incident or the identity of the victim, if a Hofstra University student is charged with a felony, the University reserves the right to summarily suspend the student pending the outcome of the trial. A student charged with a felony shall promptly provide written documentation from the court(s) to the Dean of Students Office as to the outcome of any criminal proceeding. After the case is adjudicated by outside authorities, the student charged may then be reviewed under the University’s Student “Judicial Code”.

RESTITUTION DISPUTES
In all student disputes involving restitution for damage or loss of personal property, telephone bills and other living expenses, the Dean of Students Office shall address wrongful behavior with appropriate disciplinary action when necessary but shall not act as an agent of any student in settling a monetary claim. Students who seek restitution are advised to attempt to collect from those responsible and, if unable to resolve the matter, should contact the police or refer the matter to an attorney for adjudication in small claims court.

THE JUDICIAL PROCESS

1. Complaint
Any member of the University community may initiate a complaint against a student as soon as possible after the incident takes place by filing a report with the Department of Public Safety or Office of Residential Life. You may contact the Dean of Students Office for any assistance you need with filing a complaint. If there are grounds for disciplinary action, the student will be issued a charge letter or a summons directing the student to schedule an informational meeting with the Assistant Dean of Students or a designated representative. Failure to schedule an appointment within the designated time period will be deemed failure to comply and will carry a $100 fine. As stated in the student’s notice, this will be treated as though the student is not contesting the incident/charges, and a decision will be made based upon the information received.
2. Notice
During the informational meeting the student will receive the ACKNOWLEDGMENT OF STUDENTS’ RIGHTS AND DISCIPLINARY PROCEDURES form. This form will serve as formal notification of the charges and will outline various resolution options and the student’s procedural rights. The student will be encouraged to discuss and review information contained in the judicial file, and the charges being brought against him/her. Students may ask questions regarding the charges as well as the judicial process.

3. Informational Meeting
During the informational meeting the student charged will have the right to choose between the following options:

A) Accepting responsibility for his/her actions and verifying that the charge(s) issued against him/her is (are) correct. If this option is chosen, the student requests that a hearing officer in the Dean of Students Office determine the appropriate sanction, and he/she automatically waives his/her rights associated with a hearing. (See rights for a hearing listed below.); or

B) denying responsibility for the charges and requesting that an administrative judicial board be convened to review the case; or

C) denying responsibility for the charges and requesting that a student judicial board be convened to review the case. (This option may be selected only during the academic year when the board is in session.)

4. Rights of a Student Charged
If an administrative or student judicial board hearing is conducted, a student charged with a violation has the following rights:

A) The student shall be informed by the Dean of Students Office, in writing, of the date, time and place of the hearing. The student shall be allowed a reasonable amount of time (approximately five (5) days) to prepare a defense. The student may choose to waive the five (5) days of preparation in order to expedite the hearing process.

B) The student charged with an offense shall have the right to speak for himself/herself, to present witnesses, to challenge the evidence, and to question both the accuser and the witnesses if either/both appear. If not, the student charged may challenge any written statements that were submitted. A student may, upon request, receive a written list of all witnesses mandated to attend the hearing. The student charged may summon witnesses to speak on his/her behalf. A list of these witnesses or any signed witness statements must be submitted to the Dean of Students Office at least 24 hours prior to the hearing. It is the student’s responsibility to notify his/her witnesses of the time, date and place to appear.

C) The student charged may review evidence, documents and reports pertaining to the incident prior to the hearing by making an appointment with the member of the Dean of Students staff who conducted the informational meeting.
D) The student charged may elect not to appear at the hearing. Absence shall be noted without prejudice, and the hearing will be conducted in the student’s absence.

E) The student charged has the right to request the removal of a member of either board with just cause. The student must be prepared to substantiate this contention.

F) The student shall have the right to seek an adviser of his/her choice who may help the student prepare but may not speak on behalf of the student.

G) The student shall be entitled to one (1) adjournment with just cause. Any additional adjournments may be granted or denied at the University’s discretion. Please note that hearings cannot be postponed due to an adviser’s schedule.

ADVISER’S ROLE IN UNIVERSITY PROCEEDINGS

The student’s adviser may help the student prepare but may not communicate on behalf of the student at any time during the course of the proceedings.

A student’s adviser may attend the hearing and may communicate with the student both verbally and in writing at all times during the hearing. In addition, the student may request one recess of no longer than five (5) minutes to confer with his or her adviser outside of the hearing room.

An adviser may at no time address the hearing board or witnesses during the hearing process. If an adviser does so, the chairperson of the hearing board shall give the adviser a verbal warning. If the adviser again addresses the hearing board or a witness, the adviser will be asked to leave the hearing. In addition, if the chairperson of the hearing board determines that the adviser’s presence is causing a disruption or is interfering with the procedures of the hearing, the adviser shall be given a verbal warning. If the adviser continues to be disruptive, he or she will be asked to leave. If an adviser refuses to leave when asked, the hearing will be stopped and the student will waive his/her right to complete the hearing.

5. Rights of the Complainant

The complainant in all cases is Hofstra University. Therefore, in cases brought to Hofstra by a student, the accusing student shall not have:

A) the right to question the defending student; or

B) the right to be present at the hearing when not directly testifying; or

C) access to the outcome of the proceedings.

Note: The only exceptions to these procedures will be incidents involving victims of sexual or other serious assaults as determined by the Dean of
Students Office. In these cases the victim has the right to have an adviser present when testifying and to be informed of the status of the case as well as relevant sanctions or bans placed on the student charged at any point during the judicial process. (For more information on the University policy regarding sexual assault, please see Hofstra University’s Sexual Assault Policy and/or contact the Dean of Students Office, x3-6913.)

6. Hearing Process

A) Cases will be introduced, charges read, and the appropriate oaths issued by the chairperson or designated representative of the board. This will be followed by an opening statement by the student charged with an offense. The usual format of a hearing is as follows:
1. Case introduced, charges read and oaths issued.
2. Opening statement by student charged.
3. Questions from members of the board.
4. Statement from student who wrote original complaint.
5. Questions from members of the board.
6. Questions from student charged.
7. Witnesses’ statements. (No character witnesses. Acceptance of witnesses to be determined by the hearing officer).
8. Questions from members of the board.
9. Questions from student charged.
10. Closing statement from student charged.

B) Responsibility will be established based on a preponderance of evidence. Only evidence presented at the hearing shall be considered.

C) Hearing boards are empowered to determine responsibility for an incident. The Assistant Dean of Students responsible for judicial affairs or designee will review outcomes of the hearing board. Sanctions will be determined by the designated hearing officer.

D) Final sanctions determined by the designated hearing officer will take into consideration the student’s prior disciplinary involvement/sanctions.

E) The policy at Hofstra University is to tape-record all disciplinary hearings. The recordings are used to provide a record of the hearing for the purpose of reference and appeal, but originals or copies will not be released. Students may request to listen to tapes and may take notes on prior proceedings. The University reserves the right to have a University official present. As with other hearing materials, only those people directly involved in an appeal (Associate Dean of Students or designee, judicial officer, the Dean of Students, the student charged, his/her adviser, hearing board and appellate hearing board) may listen to any part of the recording.

F) The Dean of Students Office shall communicate to the student, in writing, the decision and appropriate sanction(s). It is the student’s responsibility to pick up the written notification.
of the details pertaining to the hearing from the Dean of Students Office within three (3) business days.

G) Once a student receives the decision letter, he/she may choose to appeal the sanction(s) imposed. He/she may request an appeal of the decision by submitting a written petition for an appeal to the Dean of Students Office within seven (7) calendar days after receiving the decision letter. The student is responsible for picking up the decision letter within three (3) business days following the hearing. The letter of appeal must address one of the reasons for appeal as stipulated in the following section of this code titled “Appeal Procedures for Disciplinary Proceedings.”

APPEAL PROCEDURES FOR DISCIPLINARY PROCEEDINGS

I. Grounds for Appeal
A student found responsible for an offense shall have the right to appeal, within seven calendar days from receipt of decision letter, on any of the following grounds:

1. The sanction(s) is (are) too harsh.
2. There is new evidence to warrant a rehearing.
3. His/her procedural rights have been violated.

The student must submit a written petition for appeal addressing one or more of these issues. A request on any of these grounds must clearly explain, in detail, the basis for the appeal. The appeal should be based on documentation and should be limited to an inquiry of the issue or issues raised in the complaint.

In those situations where documentation is deemed inadequate, or where one of the three grounds for appeal is not addressed, the Dean of Students or designated representative may deny the appeal. If the appeal is deemed adequate, the Dean of Students or designee will decide whether the board shall hear an appeal or if there is sufficient documentation for the Dean of Students to modify the original sanction. Note: The appellate hearing board does not rehear the whole case but reviews arguments and documents that support the original grounds for appeal.

II. The Appellate Hearing Board
The appellate hearing board is made up of:

1. the Associate Dean of Students or designated representative, as chairperson;
2. the Provost or designated representative;
3. three members of the faculty or administration; and
4. one student appointed by the Associate Dean of Students or designated representative. Members of the appellate hearing
board may be excused at the request of the appealing student or group with just cause. The student or group must be prepared to substantiate this contention.

III. The Appellate Hearing

Students may request an appeal according to the following procedure:

1. Students must submit their petition for an appellate hearing to the Dean of Students Office within seven (7) calendar days after a decision or sanction letter has been received.

2. The Dean of Students or designee will decide whether there are grounds to accept the petition for an appeal. If there are, a letter will be sent to the student or organization representative(s) notifying them when the board will convene, and suggesting that they meet with the Dean to review their rights and responsibilities and the procedures during an appellate hearing. The student shall have the right to seek an adviser of his/her choice who may help him/her prepare but may not speak on behalf of the student.

3. During the appellate hearing, students or organization representative(s) will have the opportunity to address the board with an opening statement, followed by:
   a) questions from the board;
   b) any appropriate witness(es);
   c) questions from the board to the witness(es);
   d) questions from the appealing student or representative(s);
   e) closing remarks.

4. In rendering its decision, the appellate hearing board should examine the evidence. The board may also hear witnesses to the incident.

5. The board can recommend:
   a) overturning the original hearing board’s decision;
   b) modifying the original sanction(s);
   c) remanding the case for a rehearing by a different hearing board;
   d) upholding the original hearing board’s decision.

6. The board’s decision may be reviewed by the Dean of Students or designee.

7. All decisions based upon the appellate hearing will be communicated to the student in writing. All rulings on appeals are final.

PROPRIETARY OFFENSES

Proprietary offenses are the result of infractions of policies and procedures under the terms of the Residential Living Agreement signed by each student when occupying a room in one of the University’s residential facilities. First time proprietary violations will be administered through the Office of Residential Life. Subsequent proprietary violations may be referred to the Dean of Students Office for judicial action. (Please refer to the Residential Living Agreement or “The Living Factor” for more information regarding proprietary offenses.)
STUDENT ORGANIZATIONS

Student groups and organizations may be charged with violation of the “Judicial Code”. A student group or organization and its officers may be held collectively and/or individually responsible when violations occur. Organizations should refer to the “Judicial Code for Organizations”.

Sanctions for group or organization misconduct may include revocation or denial of registration or recognition, in addition to all appropriate sanctions provided herein.

Student groups and organizations have the same rights and may appeal sanctions as described in this code for individuals. For more information please refer to specific policies and constitutions governing student organizations and fraternity and sorority affairs.

SANCTIONS

Disciplinary actions include, but are not limited to, one or more of the following sanctions:

Disciplinary Warning
This is issued to students to indicate that their behavior is in violation of University regulations and that subsequent violations would warrant more serious action.

Educational Sanctions
In certain instances where punitive measures are inappropriate or inadequate, an educational sanction may be imposed. This sanction is designed to help educate the student toward responsible behavior. These sanctions may include a written apology, task-oriented community work, volunteer services and/or awareness workshops.

Fines and Restitution
Fines may be levied against students who have violated University policy. The Office of Student Accounts will be notified when fines are levied. Restitution may be imposed to recover losses experienced by the University.

Disciplinary Probation
Probation is issued to a student for a specific period of time. It is a more serious sanction than a warning. It is a period of review and observation during which the student must demonstrate the ability to comply with the University rules, regulations and other requirements stipulated for the probation period. It may limit certain activities or privileges of a student.

Residence Hall Relocation
The student is required to vacate his/her current room assignment, to be relocated to another Residential Life facility to be determined by the Dean of Students or a designee.
Residence Hall Suspension
The student’s room license agreement is voided and he/she is required to vacate the residence facilities. In addition, a ban from residential facilities may be imposed for the duration of the suspension. The student’s housing sticker must be relinquished to the Dean of Students Office.

University Suspension
The student is separated from the University for a specific or indefinite period of time. The student will be readmitted at the end of the specified period. All tuition and fees are forfeited, and the suspension is documented on the student’s permanent University record. In addition, a condition of readmittance may be imposed, e.g., counseling.

Deferred Suspension
A deferred suspension from the University or the residence halls may be imposed due to severe extenuating circumstances. The suspension will begin at a specified date as determined by the Dean of Students Office. This sanction may be utilized only after review by the Dean of Students or designated representative.

Ban
A Hofstra student or non-student may be restricted from the University or particular areas of the University because of inappropriate behavior. A Hofstra student who violates his/her ban will be subject to further disciplinary action; a non-Hofstra student who violates a ban will be subject to arrest for criminal trespass.

Summary Action
In certain instances where a student has been charged with changing official records, stealing, physical assault, or other serious acts that may constitute a threat to the safety and well-being of University students, personnel or property, the Dean of Students or designated official has the discretionary power to summarily relocate or suspend a student’s residence hall privileges. The student’s Residential Living Agreement is voided and he/she is required to vacate. The student may be suspended, banned, expelled, or requested to withdraw from the University until a hearing may be convened.

Expulsion
The student is permanently separated from the University without opportunity for readmission. This disciplinary action shall become a permanent part of the student’s University record.

Note: A student and/or organization found responsible for violating the Judicial Code may receive one or more of a variety of sanctions tailored to the specific violation(s). Individual mitigating circum-
stances, as well as aggravating factors, such as past misconduct by the student and/or organization, or failure to comply with previously imposed sanctions, shall be considered when determining the level and scope of the sanction. Generally, a student who is found responsible for additional offenses will be subject to more severe sanctions.

MINIMUM SANCTIONS

Certain violations of regulations may constitute a serious threat to other individuals and/or the community. For the following breaches of University policy (but not limited to), a minimum penalty of suspension, including summary suspension, from the University (including the residence halls) for at least one full semester to permanent expulsion may be imposed:

1. Conduct in violation of New York State criminal law or federal law, which poses a serious threat to the University community, including but not limited to, distribution or possession of illegal drugs, theft of University or personal property.
2. Serious physical attacks upon another person.
3. Willful or malicious damage or defacement of University property or property of another individual.
4. Possession of firearms, explosives, or any type of weapon, including but not limited to, air pistols, BB guns and fireworks of any type.

STATEMENT ON DRUGS AND ALCOHOL

DRUGS

1. Standard of Conduct
   Possession, use and/or distribution of unprescribed controlled substances and related paraphernalia are strictly prohibited on any area of campus.

2. University Sanctions
   Students who possess and/or use illegal drugs or drug paraphernalia on Hofstra property will be subject to a minimum sanction of disciplinary probation and mandatory attendance at an educational seminar through suspension from the University. Students who distribute controlled substances or possess such substances with intent to distribute will be subject to a minimum sanction of suspension from the University and could face expulsion from Hofstra. Repeat offenders will face more severe penalties including automatic suspension and/or removal from the residence halls.
3. Local, State and Federal Laws
   In addition to sanctions imposed by the University, drug violations may be referred to the appropriate external authorities. Under local, state and federal laws, violations as specified above may result in penalties ranging from fines through imprisonment. If a student is convicted of a drug-related offense under local, state or federal Law, financial aid will be revoked for a specified period of time.

4. Health Risks
   The health risks caused by drug use vary depending on the drug involved. Studies have shown that marijuana contributes to sterility in men, destroys brain cells and leads to diseases associated with cigarette smoking. The use of cocaine or any cocaine-based substance may cause heart failure, erratic behavior, personality changes, birth defects, loss of appetite, paranoia and mood swings. The use of drugs without a doctor’s supervision may also cause serious health difficulties. In addition, the abuse of any substance can adversely affect relationships, job, academic and athletic performance, and self-esteem.

5. Treatment
   The University provides confidential counseling services to students. Counseling Services is located at the Saltzman Community Services Center and can be reached at (516) 463-6793. The Counseling Services personnel will provide referrals to both inpatient and outpatient treatment facilities in the vicinity of Hofstra.

ALCOHOL

1. Standard of Conduct
   Possession and/or consumption of alcohol by students under 21 years of age and distribution of alcohol by students to anyone under 21 years of age is strictly prohibited on campus. Operation of a motor vehicle by a driver who is legally impaired or intoxicated (reckless driving) is also prohibited. In addition, consumption of alcohol by any student in public areas, such as hallways, lounges, parking lots, the Student Center, athletic fields and at athletic events, without express authorization from the Dean of Students Office, is not permitted. No alcohol is permitted at Greek rush events. When alcohol is authorized to be served at an event on campus, non-alcoholic beverages and food must also be made available.

2. University Sanctions
   Students who violate any of the above alcohol regulations will be subject to a minimum penalty of a disciplinary warning and mandatory attendance at an alcohol education seminar. Subsequent offenses will result in more serious action.
3. Local and State Laws
   In addition to sanctions imposed by the University, alcohol violations may be referred to the appropriate external authorities. Under local and state laws, such violations may result in penalties ranging from fines through suspension of a driver’s license and possible imprisonment.

4. Health Risks
   Use of alcohol may result in mood changes, impulsive actions, loss of judgment and loss of coordination. Excessive use of alcohol may cause heart damage, liver damage, damage to the digestive tract, cancer, brain damage, mental disorders, loss of sexual function, blood disorders and birth defects. Also, long-term alcohol use may affect relationships, job, academic and athletic performance, and self-esteem. Students will be held completely responsible for any violation of University policy while under the influence of alcohol.

5. Treatment
   The University provides confidential counseling services to students. Counseling Services is located at the Saltzman Community Services Center and can be reached at (516) 463-6793. The Counseling Services personnel will provide referrals to both inpatient and outpatient treatment facilities in the vicinity of Hofstra.

RULES AND REGULATIONS OF HOFSTRA UNIVERSITY REGARDING HAZING

The State of New York has enacted a law that requires the University to file with the Regents and the Commissioner of Education its rules and regulations relating to the subject of “hazing.”

Now be it resolved that the following rules and regulations regarding hazing are hereby adopted by the University and that the same be filed with the Regents and the Commissioner of Education and be disseminated among the University community.

Hofstra University recognizes that membership in a fraternity/sorority or other campus organization (herein collectively referred to as an “organiza-
tion”) can be a meaningful experience in conjunction with other aspects of the educational process. Unfortunately, however, membership or prospective membership in an organization is sometimes accompanied by a wrongful activity commonly known as “hazing.”

Hazing is a violation of the Penal Law and other laws of the State of New York as well as the general regulations of the University. Accordingly, the University hereby reaffirms its policy that it will not condone hazing of any kind. To this end, any student, faculty member, staff member, visitor, licensee or invitee who engages in hazing may be ejected from the campus and, where appropriate, shall be subject to suspension, expulsion or other disciplinary action. Similarly, the University may take any or all of the following actions against any organization that authorizes hazing or those members (whether individually or in concert) who engage in hazing: rescind permission for the organization to operate on campus property, rescind recognition of the organization, and prohibit the organization from using the University’s name in any manner.

Hazing has been defined as generally including, among other things:

1. Any action or situation that recklessly or intentionally endangers mental or physical health or involves the forced consumption of liquor or drugs for the purpose of initiation into or affiliation with any organization.
2. Any other act or series of acts that cause or are likely to cause mental or physical harm or danger.
3. Mistreatment by playing stunts or practicing abusive, humiliating or ridiculous tricks that subject an individual to personal indignity, humiliation or ridicule.
4. Harassment by exacting unnecessary, disagreeable, or difficult work or harassment by banter, ridicule or criticism. Some examples of such prohibited activities are:
   a. Abnormal or unusual dress holding the wearer up to ridicule, e.g., extraordinary headwear, costumes, underwear, body painting, etc.
   b. Performing unusual or abnormal acts, e.g., dancing on tables, standing at attention, standing on windowsills, blindfolding, etc.
   c. Excessive or unusual physical activities, e.g., crawling, duckwalk, push-ups, sit-ups, skipping, hopping, squatting, etc.
   d. Verbal harassment or abuse, e.g., yelling, making demeaning remarks, etc.
Violations of any of the foregoing prohibitions shall be dealt with by the University as follows:

1. In the case of any individual or group that is not a member of the University community: The authorization for such individual or group to remain on University property will immediately be revoked; and if the individual or group thereafter refuses to leave University property, necessary and appropriate action will be taken to eject such person or group therefrom. In addition, the University may, at its sole discretion, take all necessary and appropriate action to prevent any such individual or group that engages in hazing from re-entering University property.

2. In the case of a student: The student shall be requested to cease and desist from such prohibited conduct and, if he/she fails to do so, necessary and appropriate action will be taken to restrain and remove such student from University property. In addition, disciplinary proceedings shall be commenced, pursuant to the “Judicial Code”, against any student who engages in hazing. In accordance with those procedures, the penalties of suspension, expulsion or other disciplinary action may be imposed.

3. In the case of a non-student member of the Hofstra community: The person shall be requested to cease and desist from such prohibited conduct and, if he/she fails to do so, necessary and appropriate action will be taken to restrain and remove such person from University property. In addition, charges shall be brought, in accordance with appropriate University policy, against any non-student members of the Hofstra community who engage in such unprofessional conduct. Appropriate disciplinary action will be imposed in accordance with University-approved procedures.

4. In the case of an organization: The organization shall be requested to cease and desist from such prohibited conduct and, if the organization fails to do so, necessary and appropriate action will be taken to eject such organization from University property. In addition, charges shall be instituted pursuant to the disciplinary procedures of the University against any organization that authorizes or engages in hazing. A hearing shall take place and, to the extent applicable, those procedures shall be followed. In addition to the penalties set forth in those procedures, the penalties of temporary or permanent recision of permission for the organization to operate on campus property and temporary or permanent recision of use of the University’s name in any manner by such organization may be imposed.

5. Whenever, in the opinion of the Dean of Students or the designated representative, the conduct of any individual or organization poses an imminent threat to the physical or emotional
safety of himself/herself or others or to property, the Dean of Students or the designated representative may immediately suspend such individual or organization and/or eject such individual or organization from the campus pending an appropriate hearing and final determination therein.

6. In addition to the foregoing, the University reaffirms its right to utilize and seek the aid of public authorities and such judicial, civil and criminal processes and proceedings as may, at the discretion of the University, be necessary and appropriate. Any penalty imposed by the University shall be in addition to any penalty pursuant to the Penal Law or any other law to which a violator or organization may be subject.

7. The foregoing rules and regulations shall be part of the bylaws of all organizations operating on the University’s campus. Every organization shall annually review its bylaws with all individuals affiliated with such organization.

## SEXUAL ASSAULT POLICY

Hofstra University urges you to read and understand this information because it may be important to you or someone you know. You are the key to your personal safety on campus and in the community. Take precautions to protect yourself from sexual assault.

Acts of sexual violence, assault or abuse such as rape, acquaintance rape or other forms of nonconsensual sexual activity will not be tolerated at Hofstra University. Such acts are criminal behaviors and create an environment contrary to the goals and missions of the University.

It is important for members of the campus community to be aware that there can be serious legal consequences for certain sexual conduct. In a campus setting, sexual assault often occurs when one or both parties are intoxicated from alcohol or other drugs. Therefore, it is important to understand that intercourse or other sexual activity with a person who is unable to give free and full consent (e.g., because of intoxication, substance abuse or intimidation) may constitute sexual assault or rape. Furthermore, the offender’s use of a mind-altering substance does not in any way diminish his or her responsibility for abusive behavior.

Sexual assault refers to rape, sodomy, sexual abuse and other nonconsensual sex offenses which are serious crimes under New York State law. Rape is committed when any person engages in sexual intercourse or by forcible compulsion; or not by forcible compulsion when the victim is physically, mentally or legally incapable of giving consent. Other sexual offenses under New York State law involve unwelcome physical contact with a person’s genitals, buttocks or breasts. In all cases, the force need not be overtly violent: the threat of force when it places a person in fear of physical injury or kidnapping may be sufficient. Criminal penalties in New York for all such acts vary according to the circumstances, but can include prison sentences of up to 25 years.
A Hofstra student who is found to have committed rape, sexual assault or any other sexual offense is subject to disciplinary action that can include probation, suspension or expulsion. Rape is a felony. Any student charged with a felony is summarily suspended from Hofstra University pending the adjudication of those charges.

**Educational Programs**

Educational programs to promote the awareness of rape, acquaintance rape, and other forcible and non-forcible sex offenses are conducted for entering students during the Fall Opening Weekend Orientation Program, and periodically in the residence halls throughout the academic year. These programs are open to the entire Hofstra community. Other programs on sexual assault are offered throughout the year. For additional information please contact the Dean of Students Office (516) 463-6913.

**Crisis Management Team**

The Crisis Management Team responds to crisis incidents reported to Public Safety, including incidents of sexual abuse. Members of the team include the following or their representative:

- a) Director of Public Safety or designee
- b) Dean of Students or designee
- c) Director of Student Counseling or designee
- d) University Relations, if necessary
- e) Legal Counsel, if necessary

The Crisis Management Team will inform the survivor of the following:

1. Counseling services are available, both on and off campus.
2. Medical services are available, both on and off campus.
3. Options are available regarding reporting the case to the proper authorities, both on campus and local police.
4. Assistance will be provided in notifying these authorities if such assistance is requested.

**If You Are the Survivor of a Sexual Assault**

Your safety and well-being are of paramount importance. Survivors of sexual assault are encouraged to take the following actions immediately:

1. Go to a safe place.
2. Contact or have a friend contact Public Safety at (516) 463-6789 or the Nassau County Rape Hotline at (516) 222-2293.
3. Medical evidence for use in the prosecution of a criminal offense is collected at the hospital. For this reason, you should not shower, bathe, douche or change clothes. You may need to bring a change of clothes to the hospital in case what you are wearing is collected as evidence.
4. Do not touch any evidence or straighten up the area where the
assault occurred.
5. Go to a hospital emergency room. Public Safety or the police will provide transportation if you ask.
6. Do not blame yourself. The person who assaulted you is responsible.

Survivor’s Bill of Rights
1. Survivors have the right to choose counseling, medical treatment, prosecution and reporting of their case through the off-campus court system, as well as the right to refuse all of the above without reproach from University personnel.
2. Survivors have the right to be treated with dignity and seriousness by campus personnel.
3. Survivors of crimes against one’s person have the right to be reasonably free from intimidation and harm.
4. University personnel shall be encouraged to inform a survivor that they are not responsible for crimes against their person.
5. Survivors shall be made aware of existing counseling and other student services that are available, both on and off campus.
6. Survivors shall be entitled to the same support opportunities the University permits the accused in a campus disciplinary proceeding, which includes the opportunity to have others present during a disciplinary proceeding (see the Hofstra University “Judicial Code” for further information).
7. Both the survivor and the accused shall be informed of the outcome of any disciplinary proceeding brought alleging a sex offense. This includes the final determination of the proceeding and any sanction imposed against the accused. The sanctions that may be imposed are detailed in the Hofstra University Judicial Code.
8. Any survivor who does not wish to remain in his or her present residence hall or class section may be granted a transfer to any available housing or class section, upon request, if reasonably available.

- Hofstra University believes in the user’s rights to privacy; however, when there is sufficient evidence of wrongdoing, the University reserves the right to examine and impound any files, information or computer systems resident on or attached to its networks.

Conduct that involves the use of the University resources in an inappropriate manner or which violates another person’s rights may result in revocation of computing usage privileges and is subject to University disciplinary action as outlined in the University’s policies and “Judicial Code.” Such conduct may also be subject to criminal or civil legal action.

PARKING AND VEHICLE REGULATIONS
GENERAL
Hofstra parking permits can be obtained at the Hofstra University Information Center located on North Campus. Permits are issued only at the Public Safety Office, twenty-four hours a day, 7 days a week. There is no charge for a parking permit. Anyone who parks a motor vehicle on University grounds must obtain a permit. Parking permits must be affixed to the vehicle in accordance with the directions for use, listed on the back of the parking sticker. If the portion of the permit bearing the serial number becomes illegible for any reason, one must apply for a replacement.

WHAT IS REQUIRED WHEN APPLYING FOR A PARKING PERMIT?
1. Applicant must apply in person.
2. Applicant must show identification.
3. Applicant must supply the state license plate numbers of all vehicles used.

SPECIAL PRIVILEGES
Persons who are physically challenged may receive special privileges, if authorized. However, anyone requiring handicapped parking privileges must first apply through the University Health Center. If approved by the Health Center, a special parking permit may be obtained at the Public Safety Office.

Short-time unloading stops in restricted and “No Parking” areas are permitted, but permission must be obtained in advance from the Public Safety Office. In the absence of permission, violations will be cited.

USE OF ANOTHER/DIFFERENT VEHICLE
A separate permit will be issued for each vehicle registered. You are responsible for all summonses issued to all vehicle(s) so registered. If it becomes necessary for you to use another vehicle, the state license plate number of the vehicle used must be reported to the Public Safety Office, or violations will be cited. The Public Safety Office has no way of knowing that you are using another vehicle unless proper notification of this fact is made.

PARKING IN A MANNER THAT WARRANTS TOWING
If a vehicle is parked in a manner that warrants towing, the vehicle will be towed and a fee will be required to release the vehicle. In addition, a fine will be levied for parking in a manner that warranted towing. You must report to the Public Safety Office, Hofstra Information Center, to secure the release of your vehicle.

WHERE SHOULD I PARK?
Students may park only in areas marked for student parking, and only between lines that outline the parking space. Do not park in areas marked “restricted,” “reserved,” or “visitors.” Remember, this rule applies whenever your vehicle is on campus for any reason. Motorcycles and mopeds must be parked in spaces marked for such vehicles and may not be parked in a space outlined for a full-sized or small car.

CITATIONS
Citations will be given for, but are not limited to, the following violations of regulations:

1. Failure to properly display a valid Hofstra University parking permit.
2. Parking in an area not outlined for parking.
3. Parking in wrong field or space.
4. Parking outside the lines.

PARKING VIOLATIONS MAY BE APPEALED
If you feel that the summons was issued in error or that your vehicle was towed in error, you may file an appeal on the form provided for this purpose. Graduate and undergraduate students can obtain an appeal form at the Dean of Students Office located in Room 243 Student Center or at the Hofstra Information Center. Appeals are heard by the Student Judiciary Board on the first Tuesday of every month of the fall and spring semesters at 4:15 p.m. (September date may vary). Students may attend the appeal, or the Board will use the written appeal to make their determination. Faculty and administration may appeal to the Parking Committee of Public
Safety; these appeal forms are available at the Public Safety Office. All rulings on appeals are final.

DISCIPLINARY ACTION FOR CONTINUOUS VIOLATORS OF PARKING AND VEHICLE REGULATIONS

Students who repeatedly violate University parking regulations could face disciplinary action that will result in, but is not limited to, suspension of driving privileges on the Hofstra campus. If a student’s driving privileges are suspended/revoked, that student is not permitted to drive/have his or her vehicle on any part of the Hofstra campus for any reason.

Hofstra campus speed limit is 15 mph. Violators will be cited.

*For more information on campus vehicle regulations, consult the Campus Vehicle Regulations brochure available at the Public Safety Office.
The treatment of students involved in violations of academic honesty should be essentially educative rather than punitive.

I. Statement of Principles

A University is a community of faculty, administrators and students dedicated to the pursuit of learning and to the creation of new knowledge. Every individual in this community has an obligation to uphold its intellectual standards, which alone make education worthwhile. It is the responsibility of the faculty not only to share its knowledge, but also to communicate understanding of, and respect for, the process by which knowledge is produced. The goal of most college work is individual synthesis and analysis, and the independent evaluation by students of others’ work. Thus, students play an active role in their own education, and each student bears responsibility for his or her work. Anyone who refuses this responsibility both misses the point of a college education and proves unworthy of it.

Hofstra University would rather educate than expel the offender. It recognizes that one instance of cheating may not be a sign of an incorrigibly dishonest person; but it will not tolerate dishonesty, and it will not offer the privileges of the community to the repeat offender.

A student who commits any act of academic dishonesty is rejecting the responsibility that is inherent in the pursuit of learning and may forfeit the right to remain a member of the academic community, unless he or she is willing and able to recognize the seriousness of the offense and demonstrates such recognition by abstaining from further violation of academic propriety.

One learns and contributes to the body of knowledge by reviewing work already done and by using it as the basis for generating new ideas, discovering new data and drawing new conclusions. Though the process of learning is undeniably collaborative, one’s achievement in that process is assessed on the basis of one’s individual contribution. Academic honesty requires carefully distinguishing one’s own work from that of others. Each
individual must fully acknowledge when, where and how his or her tracing the boundary between other’s efforts and one’s own, clearly noting where other’s work leaves off and one’s own begins.

The academic community assumes that work of any kind—whether a research paper, a critical essay, a homework assignment, a test or quiz, a computer program, or a creative assignment in any medium—is done, entirely and without assistance, by the individual whose name it bears. (If joint projects are assigned, then the work is expected to be wholly the work of those whose names it bears.) If the work contains facts, ideas, opinions, discoveries, words or other elements found in sources, these must be fully and appropriately acknowledged, following a prescribed format for doing so. In general terms, the conventional format consists of a bibliography (a list of sources) coupled with footnotes or parenthetical citations that serve to identify the precise derivation of each idea, fact, paraphrase, or quotation that comes from another’s work.

II. Guidelines

It is particularly important for students to understand that it is not enough to identify the source of quoted material; it is also necessary to indicate when one is paraphrasing (restating in other words) material found in a source. Thus, the use of other’s ideas as well as their words needs to be acknowledged.

The official guides in these matters are the Hofstra Writer’s Guide, or, for New College students, the New College Writing Program Manual. Unless instructed otherwise students should follow the format described in the latest edition of the Guide or the Manual.

III. Violations

Any violation of these principles constitutes academic dishonesty. Indeed, it is important for students to avoid even the appearance of dishonesty. The following is a partial list of such violations and is not exhaustive, but each of these violations can be considered as a major infraction where the penalty may be an F for the course:

- Quotation or paraphrase of sources without acknowledgment;
- Submission of work produced wholly by someone else, or with unauthorized assistance of someone else;
- The use of paid “research services”;
- Copying from another’s exam, term paper, computer disk;
- Bringing unauthorized materials into an exam;
- Gaining unauthorized knowledge of exam materials;
- Having another person take an exam in one’s place;
- Unauthorized or unacknowledged use of computer program or data;
- Falsifying experimental data.
IV. Procedures for Handling Violations

Since the goal of Hofstra University’s policy on academic honesty is to educate, rather than to punish, the instructor has an obligation to inform a student as soon as possible that his or her behavior appears suspect.

A. Any question of academic dishonesty should first be discussed by the student and the instructor.

The faculty member should explain the nature of the alleged offense, inquire into the student’s knowledge of its character and seriousness, ascertain the student’s motivation, and take into consideration any relevant information the student wishes to provide. If after a good-faith effort, such a discussion cannot take place, the faculty member must inform the student in writing of the rationale for the grade assigned. The student may appeal this grade as outlined in Section V.

B. When a faculty member determines that a violation of academic honesty has occurred, the instructor shall assess the penalty according to the following criteria:

1. A Minor Infraction
   Before any penalty is imposed, the faculty member should attempt to assess the appropriateness of the penalty with the student. In minor cases of plagiarism, for example, some faculty permit the students to rewrite the assignment, while others assign an F for that particular assignment. In no case should the penalty for a minor infraction exceed the awarding of the grade of F for the assignment.

2. A Major Infraction
   Before a penalty for a major infraction is imposed, the faculty member should attempt to assess the appropriateness of the penalty with the student. In major cases of plagiarism, or cheating on an examination, some faculty give an F for the assignment or examination and others an F for the course. In cases in which the grade of F is awarded for the course, the student may not withdraw from the course.

C. The instructor must inform the Provost and the Dean of Students of each violation entailing the imposition of any penalty by completing the “Report Form on Violations of Academic Conduct.” This information will be filed until the student graduates. Notice of the right of appeal from the judgment, as well as from the penalty, must be given to the student by the faculty member in writing. If the instructor determines that there has been a reportable violation, the instructor must inform the student in writing of the nature of the charges within ten (10) days of the date of the discovery of the infraction.
D. Any subsequent violation will result in suspension/dismissal by direction of the Dean of Students. The student will be informed by letter of his or her status and of the right to appeal. A copy of this letter will be sent to the Provost.

V. Right of Appeal

A. The student has the right to appeal a charge of academic dishonesty, the grade resulting from the charge, or a suspension/dismissal decision.

B. Upon receipt of notification from the Dean of Students, the student must inform the Office of the Provost in writing within seven (7) University business days of his or her intention to appeal the charges. The Provost shall review the appeal and the procedures followed up to that point. The Provost shall see that any procedural violations are remedied and attempt to mediate a resolution of the dispute.

C. If resolution is not achieved, the Provost will then appoint an Ad hoc Board of Appeals consisting of the following voting members:

A representative of the Office of the Provost, who will serve as chair; the chair of the department involved or the chair’s representative; a representative of the Dean of the appropriate School or College; a representative of the Office of the Dean of Students. The student may opt to have two student representatives. In the case of an undergraduate student the appointees will be undergraduate students, preferably from the Student Judiciary Board. In the case of a graduate student the Dean of Students will appoint two graduate student representatives.

D. The Ad hoc Board of Appeals will be governed by the following bylaws:

1. The presumption of innocence shall apply. The board shall review the case de novo: The burden of proof of the violation and the justification of the penalty is upon the faculty member making the charge.

2. The student must have an explicit statement of the charges and a reasonable amount of time prior to the first formal meeting of the Board.

3. The student may have an adviser of his/her choice from within the University.

4. Both parties must be present when either party is presenting statements or evidence to the Board.

5. Both parties may elect to present evidence or call witnesses on their behalf.
6. Both parties must receive copies of written evidence presented to the Board.

7. Both parties may elect to cross-examine those who appear.

E. Decisions of the Ad hoc Board of Appeals are final and binding and will be presented in writing to the student, with a copy to the Provost.

Dear Hofstra University Community Members:

The members of the Dean of Students Office have endeavored to bring this handbook to each and every student. This document is a celebration of the campus’ finest traditions and has historically been a part of the student experience at Hofstra University. Each year, we introduce new information in the Guide to Pride, which we hope helps to make your student experience more enjoyable.

The Student Government Association coordinated the handbook, under the direction of the Dean of Students Office. It is filled with many offerings including, but not limited to, on campus resource numbers, scholarship offerings, student activities and the judicial code. Please take the time to preview the latest addition of the Guide to Pride. You will be well informed about campus events and offerings!

The members of the Student Services area would like to thank the members of the campus community, as well as the Student Government Association, for the support and spirit of cooperation that has been evident through the planning of this publication. This document could not be produced without the assistance of each office on campus.

We hope it serves to renew and re-energize you for the year ahead.

Sincerely,

Pat Montagano
