Raspberry Pi Program

Equipment Replacement Policy and Fees

Each student is entitled to the following at the beginning of the first class session:
- one (1) Raspberry Pi unit inclusive of one (1) pre-loaded 8GB SD Memory card
- one (1) Raspberry Pi case

Students will be expected to bring the Raspberry Pi unit including the 8GB SD memory card for each class session, as well as a pen/pencil and a notebook.

Students are not permitted to leave Hofstra premises with any additional Raspberry Pi program equipment and/or software that will be provided during the program session(s).

In the case of a forgotten Raspberry Pi unit; at the sole discretion of Hofstra Continuing Education, a replacement Raspberry Pi unit may be temporarily loaned to the student only for that class session. The replacement unit must be returned to the Instructor at the conclusion of that class. Loaned units are not permitted to be taken home. Students will not be able to access any previous work on loaned units.

Loaned units will be given out on a case-by-case and availability basis.

In the case of a lost or misplaced Raspberry Pi and/or memory card Hofstra Continuing Education can provide a new Raspberry Pi unit and/or case and/or SD memory card.

Replacement Fees:
- $85 – for a full Raspberry Pi replacement set (includes Raspberry Pi, case and pre-loaded 8GB SD Memory card).
- $70 – for a Raspberry Pi unit and case; not inclusive of a memory card,
- $30 – for a Pre-loaded 8GB SD Memory; not inclusive of a Raspberry Pi and case
- $10 – for a Raspberry Pi replacement case.

Full payment must be remitted before a replacement Raspberry Pi unit and/or case and/or SD memory card can be provided. All replacement units; if available; will ONLY be provided on the day of the class session.

The following payment methods are accepts: Visa, MasterCard, American Express, or certified funds (bank check or money order). Checks are to be made payable to “Hofstra University.” No personal checks and/or cash are accepted.

All sales transactions pertaining to replacement Raspberry Pi units and/or cases and/or SD memory cards are final. No refunds and/or returns are permitted.

Please also note that any previous work completed by the student will not be accessible from any replacement Raspberry Pi unit and/or memory card.
