Go Set a Watchman
By
Harper Lee

Go Set a Watchman is set during the mid-1950s and features many of the characters from To Kill a Mockingbird some twenty years later. Scout (Jean Louise Finch) has returned to Maycomb from New York to visit her father, Atticus. She is forced to grapple with issues both personal and political as she tries to understand her father’s attitude toward society, and her own feelings about the place where she was born and spent her childhood.
