Club Recognition Committee
Presentation Guidelines 2015

Thank you for your interest in starting a new organization at Hofstra. In addition to the completed registration paperwork, we ask that you please prepare a 5 minute presentation that answers the following prompts.

1) Basic information about the potential organization
2) Sample programs or events with calendar
3) How this group would be different from other already existing student organizations (Please use Collegiate Link to check our existing organizations)
4) How would the organization fulfill a topic or mission not currently at Hofstra?
5) What are the groups plans for remaining active in the future, next year and beyond?
6) What else do you want to share about your group that we have not asked you yet?
