When you have a health concern, it can be difficult and time-consuming to find the information you need. NurseLine services can help you make smart health care decisions with immediate telephone access to experienced registered nurses.

**Take charge of your health**

One toll-free number connects you with a registered nurse who can assist you and your family with a wide range of health care questions and concerns. Get trusted information and support any time — 24 hours a day, seven days a week.

NurseLine services also give you access to an audio health information library. Choose from more than 1,100 health and well-being topics, with 600 messages available in Spanish. Services are available to translate 140 languages and for callers with hearing impairments.

**Experienced professionals**

NurseLine nurses have an average of 15 years clinical nursing experience. They are an excellent resource when you need help choosing care, managing a chronic condition, understanding treatment options and more.

“My baby has a temperature of 102 degrees. It’s midnight. What do I do?”

“I have diabetes. How can I manage my condition and stay healthy?”

“I’ve been diagnosed with breast cancer. How do I know what treatment option is right for me?”

**Current health information**

NurseLine nurses provide reliable information based on the latest medical and professional guidelines. So, think of NurseLine services as your one-stop resource for making smart health care decisions every day.

To talk with a NurseLine nurse, call the Customer Care number on the back of your member ID card, or visit myuhc.com®.

To access NurseLine, call the phone number on the back of your ID card.
