

Click on the type of device below that
you would like to configure:

iOS
(iPhone, iPad or iPod Touch)

Android OS
(phone or tablet)

Connecting to the eduroam wireless network on iOS

Tap *Settings*.

Tap *Wi-Fi*.

Tap *eduroam* from the list of available wireless networks.

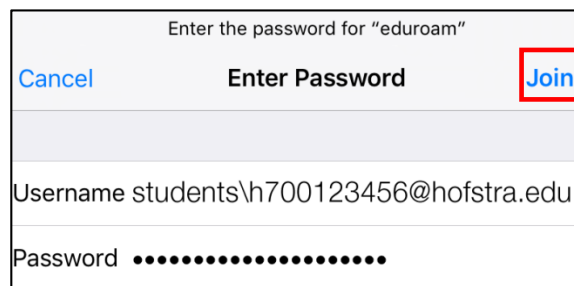

You will be prompted to enter your username and password. Your password will be the same password you use for the Hofstra Portal. For your username,

If you are primarily a student enter:
students\YourPortalUsername@hofstra.edu

If you are primarily an employee enter:
employees\YourPortalUsername@hofstra.edu

Once entered, tap *Join* to continue.

Tap *Trust* at the *Certificate* prompt.

You are now connected to the eduroam wireless network.
