

Connecting to the eduroam wireless network on Windows 10

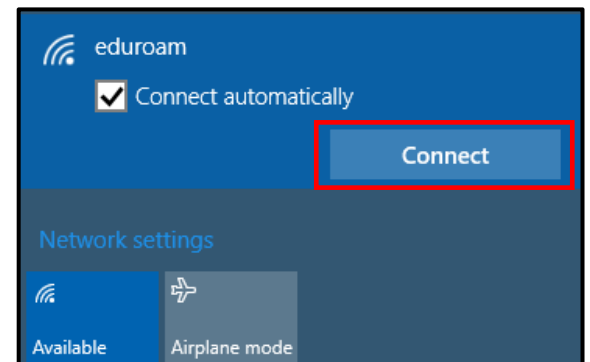

Click on the wireless network icon (typically towards the bottom right of your screen) to view a list of available wireless networks.

Click *eduroam*.

Click *Connect*.

Connecting to the eduroam wireless network on Windows 10

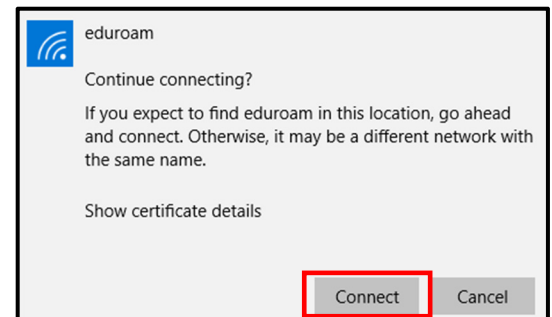

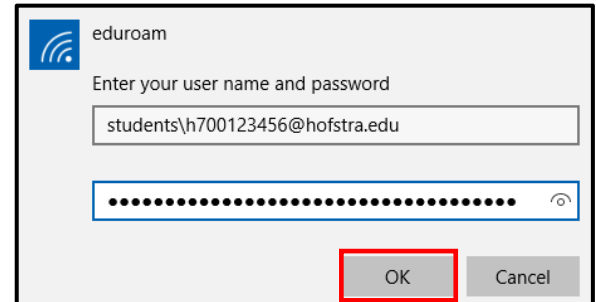

You will be prompted to enter your username and password. Your password will be the same password you use for the Hofstra Portal. For your username,

If you are primarily a student enter:
students\YourPortalUsername@hofstra.edu

If you are primarily an employee enter:
employees\YourPortalUsername@hofstra.edu

Once entered, click *OK* to continue.

Click *Connect* to the *Continue connecting* prompt.

You are now connected to the eduroam wireless network.
