Connecting to the eduroam wireless network on Windows Vista

Click on the network icon (typically towards the bottom right of your screen).

Click *Connect to a network*.

Select *eduroam* from the list of available wireless connections and click *Connect*.

Click *Enter/select additional log on information*.
Connecting to the eduroam wireless network on
Windows Vista

You will be prompted to enter your username and password. Your password will be the same password you use for the Hofstra Portal. For your username,

*If you are primarily a student enter:*  
students\YourPortalUsername@hofstra.edu

*If you are primarily an employee enter:*  
employees\YourPortalUsername@hofstra.edu

Once entered, click OK to continue.

Click **Enter/select additional log on information.**

*If you receive an error at this point you are missing important Windows updates. Please contact us for additional assistance.*

Click OK to the **Validate Server Certificate** prompt.

You are now connected to the eduroam wireless network.
