

Any device with web-browsing capabilities can be connected to Hofstra Guest.

Connecting to Hofstra Guest on Apple Devices

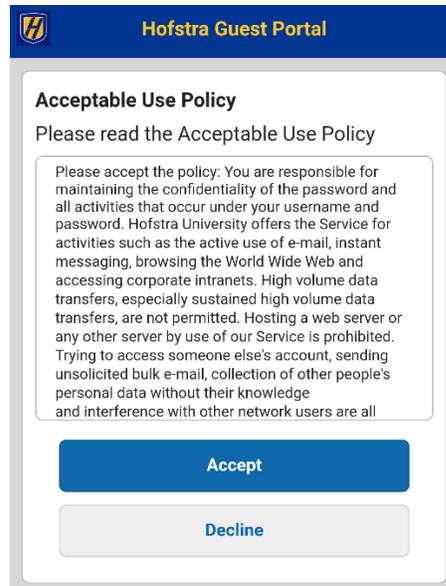

1. Go to **Settings**, select **Wi-Fi**, and select then **Hofstra Guest**.

2. Open the **Safari App** and you will be directed to the **Hofstra Guest Portal**. Click on **Don't have an account?** if you are attempting to connect to **Hofstra Guest** for the first time, fill out the form, and click **Register**.

3. Credentials will be sent from Guest-Registration@hofstra.edu to the e-mail address and to the cell phone number (via text message) you provided.
4. Refresh your browser and enter the username and password provided to you. You will be prompted to accept the **Acceptable Use Policy**. Click **Accept** to continue.

The screenshot shows the Hofstra Guest Portal interface. At the top is a blue header with the Hofstra logo and the text "Hofstra Guest Portal". Below the header is a white box with a grey border containing the "Acceptable Use Policy" text. The text reads: "Please read the Acceptable Use Policy" followed by a detailed policy statement. At the bottom of the white box are two buttons: a blue "Accept" button and a grey "Decline" button.

Acceptable Use Policy

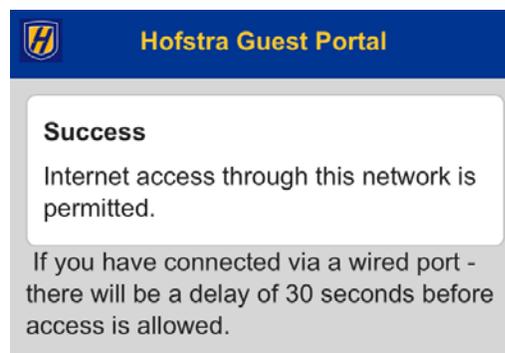

Please read the Acceptable Use Policy

Please accept the policy: You are responsible for maintaining the confidentiality of the password and all activities that occur under your username and password. Hofstra University offers the Service for activities such as the active use of e-mail, instant messaging, browsing the World Wide Web and accessing corporate intranets. High volume data transfers, especially sustained high volume data transfers, are not permitted. Hosting a web server or any other server by use of our Service is prohibited. Trying to access someone else's account, sending unsolicited bulk e-mail, collection of other people's personal data without their knowledge and interference with other network users are all

5. You have successfully connected to **Hofstra Guest**. Your guest credentials will be valid for 7 days. Please hold on to the e-mail/text message containing your log-in information.

The screenshot shows the Hofstra Guest Portal interface. At the top is a blue header with the Hofstra logo and the text "Hofstra Guest Portal". Below the header is a white box with a grey border containing the "Success" message. The text reads: "Success" followed by "Internet access through this network is permitted." and a note about wired port connections.

Hofstra Guest Portal

Success

Internet access through this network is permitted.

If you have connected via a wired port - there will be a delay of 30 seconds before access is allowed.

Wi-Fi is available in every building and many outdoor spaces on campus. The University supports Windows Vista and above and Mac OS 10.8+.

If you experience any problems with the Wi-Fi service on campus, please let us know by calling 516-463-7777 or sending an e-mail to help@hofstra.edu.
