Aspiring Authors Club
Y1422-71
6 sessions: $150
9:30-10:25 a.m.
Grades 5-6

This class inspires students with a passion for writing to follow their dreams and show their creativity on paper. With the use of literature from all genres, students create writing pieces that have descriptive details, organization, and sentence fluency, and express their individual voice. Works such as original short stories, poems, narrative essays, and skits are created in order to build students’ writing portfolios. A basic review of spelling, grammar, and punctuation is incorporated into the class to ensure steady progress for our young authors.

English Grammar and Composition
Y1412-71
6 sessions: $150
9:30-10:25 a.m.
Grades 6-8

Concentrating on grammar, punctuation, paragraphs, development of ideas, and sentence structure, students use templates and visual aids to improve their writing skills. This process enables writers to successfully complete paragraphs and essays. Moreover, students can then transfer the knowledge gained from this course to their individual school settings.

How to Write Better
Y1413-71
6 sessions: $150
10:30-11:25 a.m.
Grades 5-6

The best way to become a better writer is to practice, practice, and practice. Students complete weekly writing assignments while learning how to convey ideas quickly, clearly, and persuasively. Good writing reflects clear thinking – a process that serves the student throughout their lifetime. Activities include practical suggestions on writing style, organization and content of letters and essays, and how to write creatively.

Assessment Writing
Y1475-71
6 sessions: 150
9:30-10:25 a.m.
Grades 9-12

This course prepares students for assessment (Regents/AP/SAT) essays: thematic essays, document-based questions (DBQs), and critical lenses. We examine the best ways to organize, interpret, and analyze both the information given and the student’s content knowledge to assist the student in creating a cohesive final essay. We work on structure and layout by outlining and drafting before the final essay is written. This is a great course for any student preparing to take or retake any writing examination.

Every successful student starts with a solid foundation in studying. As students progress in their academic careers, study skills, time management, note-taking, organizational skills, and test-taking techniques play an integral part in their achievements.
