Hofstra Summer Camps Parents Say It Best!

“My daughter attended the Danielle Atkinson Girls Basketball Camp at Hofstra for a week. Each day she would come home and share her amazing experiences — from the coaches to the group of girls she made friends with, to the daily drills, scrimmages, and conditioning sessions. This camp reminded my daughter how much she loves basketball. Thank you to the amazing coaches who gave a love of basketball back to a 12-year-old girl.”

“My son was in the Seth Tierney Boys Lacrosse Camp, and I never saw him so happy. He had a Christmas morning face when I picked him up and he talked about it so much!”

“My son had the best time! He learned so much in the classes, while also making some new friends. Thank you, Hofstra Summer Camps!”

SUMMER CAMP REGISTRATION AGREEMENT

Camper's Name: _____________________________________________________________

By registering my child(ren) to attend Hofstra Summer Camps 2021 (“Camp”), I agree to the following terms and conditions:

• I hereby agree on behalf of my child, myself, and my family, to release and discharge Hofstra University, its officers, employees, servants, representatives and agents harmless from and against any and all claims, losses, damages, expenses (including attorneys’ fees, and all court and litigation costs) and liability (including statutory liability), resulting from injury and/or death of any person or damage to or loss of any property arising out of or in any way connected with the Camp and my child’s participation therein.

• I understand and agree that my child will comply with the University’s rules, standards, and instructions. I understand that the University and its agents and employees have the right to enforce its standards and may at any time terminate my child’s participation in Camp for failure to maintain these standards or for any conduct which the University or its agents consider to be incompatible with the interest and welfare of the other Campers or the University. I understand that I will not be entitled to any refund if my child’s participation in Camp is terminated as described in this paragraph.

• I understand that I am solely responsible for all expenses related to injuries and/or loss or damage of personal property incurred in connection with my child’s participation in Camp.

• In consideration of my child being allowed to participate in Camp, on behalf of my child, myself, and my family, I hereby release and agree to hold Hofstra University, its trustees, directors, officers, employees, servants, representatives and agents harmless from and against any and all claims, losses, damages, expenses (including attorneys’ fees, and all court and litigation costs) and liability (including statutory liability), resulting from injury and/or death of any person or damage to or loss of any property arising out of or in any way connected with the Camp.

• I agree that photographs, whether still or action, videos, film and/or motion pictures (hereinafter “Pictures”), and/or audio recordings (“Recordings”), may be taken of my child by or on behalf of Hofstra University and in connection with Camp, and, without any compensation or further notification or approval by me or my child, grant to Hofstra University, its agents, employees, and others working on Hofstra University’s behalf (“Hofstra”) the unlimited, perpetual, worldwide, unconditional and irrevocable right and license to use, distribute, publish, exhibit, digitize, broadcast, display, reproduce, make commercial use of and otherwise use directly or indirectly the Pictures, Recordings and/or my child’s image, voice, likeness and/or video footage in any form, format or media (“Media”), for any purpose, including, but not limited to, advertising or trade or University-related activity in promoting or providing information about the University and its educational and summer camp services and agree that all rights therein shall irrevocably, exclusively, unconditionally, and perpetually belong to Hofstra University.

• I hereby agree on behalf of my child, myself, and my family, to release and discharge Hofstra University, its officers, representatives, employees, agents, licensees, successors and assigns from any and all claims, demands or causes of action that I or my child may now have or may hereafter have for libel, defamation, invasion of privacy or right of publicity, infringement of copyright or violation of any other right arising out of or relating to any utilization of the Pictures, Recordings, or Media.

• Please note that opening of on-campus summer camp or any on-campus programs will be subject to all New York State and Nassau County Department of Health requirements and guidance in effect at the time. Any individual visiting the Hofstra campus or attending on-campus programs or camps will be required to follow all such rules and University policies relating to health and safety. Participants will be notified of University policies prior to the start of any on-campus program.

I have read and agree to the above:

How to Register

All correspondence will be communicated via email; when registering, please be sure to include an email address.

If you are registering multiple children for Hofstra Summer Camps, you must create separate student accounts and submit different registration requests. If your child already has a Hofstra Continuing Education Student Portal account (i.e., from Saturday Classes for Young People registration), there is no need to create another account. After your child’s account is created, please print their user ID and password and retain for your records. For future registrations, kindly utilize the same account information. If you create multiple student accounts, you will have a user ID and password for each account.

With your student login ID and password you can now:
• Register for camps
• Add camp sessions
• Access your current balance due
• Make tuition payments
• View your child's schedules
• View completed programs
• View and print your camper’s record and payment history
• Update your profile (i.e., contact information)
• Print a paid-in-full receipt

When registering via mail or in person, a user ID and password will be emailed to you once your registration is processed. You may update your password after you receive the instructions via email. Want to add a session after your initial registration? No problem! There is no need to fill out all of your camper’s information again; simply log in to your child’s account and register for the session you wish to add.

You can make additional online payments at any time. Please note that full payment is required for registrations after May 18, 2022.

Tuition for our two-week camps includes transportation, lunch, the American Red Cross instructional swim program (American Red Cross instructional swim program not included in Sports Academy Camps or any of our BOCES programs), and insurance.

• When registering before May 18, 2022, a $125 per week nonrefundable deposit is required using a check or credit card. Deposit must accompany this registration form.
• Payment in full is due by May 18, 2022.
• Full payment is required on all registrations received after May 18, 2022.
• We accept Mastercard, Visa, and American Express.
• Cash is not accepted.
• Please make checks payable to Hofstra University, and include your child’s name on the check.
