

Scheduling Courses in Global Studies and Geography

We endeavor to offer as wide a range of course offerings as possible. We are, however, dependent on how many classes are allocated to us every semester by the College and what teaching resources we have available (due to sabbaticals, retirements etc.).

Noting the above, we provide the following guide to enable you to plan your schedule as best as possible:

Geography

The following courses will be offered every semester:

- [GEOG 001 - \(BH\) World Regional Geography](#) Semester Hours: 3
